License No.: 33217

RESPONDENT'S WRITTEN PLEADING

1. Three Rivers Exploration, LLC (Operator) request a hearing before the Commissioners: Andrew J. French, Chairperson, Dwight D. Keen, and Susan K. Duffy in the matter of K.A.R. 82-3-120(a)(1), K.A.R. 82-3-120(a)(2), K.A.R. 82-3-120(k).
2. To device a new Compliance Agreement on wells not in compliance.

PRAYER

My license was suspended on January 7, 2020 in violation of the Compliance Agreement. There were two wells out of compliance when I ran out of money and had used all my credit plugging wells. With out a license I was unable to make money in the Oil Patch and got a job in the public sector. COVID-19 caused hardship for the company I am working for and for myself. On June 24, 2021 the last two wells Plugging applications in my Compliance Agreement were approved. I contacted Bill Cheever (license #7719) address: 1016 Southwest Blvd. Madison , Ks. 66860 to plugged the two wells. Bill informed me that it will be six months before he will be able to do them. I ask for the Commissioners patience in giving me time to fulfill my obligation in the completion of the Compliance Agreement.

On June 24, 2021 I summitted nine C-111 three were accepted. Six have nether been accepted or denied.
