PENALTY ORDER

The above captioned matter comes before the State Corporation Commission of the State of Kansas. Having examined the files and records, and being duly advised in the premises, the Commission finds and concludes as follows:

I. JURISDICTION

1. K.S.A. 74-623 provides that the Commission has the exclusive jurisdiction and authority to regulate oil and gas activities. K.S.A. 55-152 provides that the Commission has jurisdiction to regulate the construction, operation, and abandonment of any well and the protection of the usable water of this state from any actual or potential pollution from any well. The Commission has licensing authority pursuant to K.S.A. 55-155.

2. K.S.A. 55-162 and K.S.A. 55-164 provide the Commission with authority to issue a Penalty Order regarding a violation of Chapter 55 of the Kansas Statutes Annotated, or of any rule, regulation, or order of the Commission. A Penalty Order may include a monetary penalty of up to \$10,000, and each day of a continuing violation constitutes a separate violation.

3. K.A.R. 82-3-111 provides that within 90 days after operations cease on any well, the operator of that well shall plug the well, return the well to service, or file an application with

the Conservation Division requesting temporary abandonment (“TA”) status. A well shall not be eligible for TA status if the well has been shut-in for 10 years or more without an application for an exception pursuant to K.A.R. 82-3-100 and approval by the Commission. The failure to file an application for TA status shall be punishable by a \$100 penalty. K.A.R. 82-3-111(e) provides an exemption for certain wells for 365 days if they are fully equipped and capable of production.

II. FINDINGS OF FACT

4. Operator conducts oil and gas activities in Kansas under license number 32192.
5. Operator is responsible for the care and control of the following wells (“the subject wells”):
 - a. Mildred Sims ETAL #1, API #15-007-00058-00-01, located in Section 15, Township 34 South, Range 14 West, Barber County, Kansas; and
 - b. Carthage NE Morrow A Unit #1-4, API #15-129-21742-00-00, located in Section 23, Township 35 South, Range 43 West, Morton County, Kansas.
6. District Staff inspected the subject wells and collected evidence indicating the subject wells have been inactive and unplugged for longer than the 90 days allowed by K.A.R. 82-3-111. The wells did not appear to be exempt pursuant to K.A.R. 82-3-111(e). Operator either did not file TA applications or did not bring the wells into compliance after TA applications were denied.
7. District Staff sent letters to Operator, requiring Operator to bring the subject wells into compliance with K.A.R. 82-3-111 by a deadline.
8. District Staff inspected the subject wells after the deadline in each letter passed, verifying that the subject wells continued to be inactive and unplugged.

9. District Staff collected evidence and submitted it to the Legal Department with a recommendation that the Commission issue this Order. The recommendation sheets submitted by District Staff are attached to this Order as Exhibit A, incorporated into this Order, and shall serve as the concise and explicit statement of facts required by K.S.A. 77-526.

III. CONCLUSIONS OF LAW

10. The Commission concludes that it has jurisdiction over Operator and this matter under K.S.A. 55-152 and K.S.A. 74-623.

11. The above findings of fact are sufficient evidence to support the conclusion that Operator committed two violations of K.A.R. 82-3-111 because the subject wells have been inactive in excess of the time allowed by regulation without being plugged, returned to service, or approved for TA status.

THEREFORE, THE COMMISSION ORDERS:

A. Operator shall pay a \$200 penalty.

B. Operator shall plug the subject wells, return the wells to service, or obtain TA status for the subject wells if eligible. Obtaining TA status shall include application for, and Commission approval of, an exception to the 10-year limit on TA status if applicable.

C. If no party requests a hearing, and Operator is not in compliance with this Order within 30 days, then Operator's license shall be suspended without further notice. The notice and opportunity for a hearing on this order shall constitute the notice required by K.S.A. 77-512 regarding license suspension. The Commission may impose further sanctions, including additional monetary penalties and any other remedies available to the Commission by law, without further notice.

D. Checks and money orders shall be payable to the Kansas Corporation Commission. For credit card payments, include the type of card (Visa, MasterCard, Discover, or American Express), account number, and expiration date. Payments shall be mailed to the Kansas Corporation Commission at 266 N. Main St., Suite 220, Wichita, Kansas 67202. The payment must include a reference to the docket number of this proceeding.

E. Any party may request a hearing on the above issues by submitting a written request, pursuant to K.S.A. 55-164, K.S.A. 77-537, and K.S.A. 77-542, setting forth the specific grounds upon which relief is sought, to the Commission at 266 N. Main St., Suite 220, Wichita, Kansas 67202, within 30 days from the date of service of this Order. Hearings will be scheduled only upon written request. Failure to timely request a hearing will result in a waiver of Operator's right to a hearing.

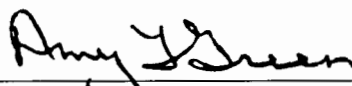

F. If a party requests a hearing, a corporation or similar entity shall not be permitted to enter an appearance except by its attorney. Attorneys for all parties shall enter their appearances in Commission proceedings by giving their names and addresses for the record.

G. The Commission retains jurisdiction over the subject matter and the parties for the purpose of entering such further order or orders as it may deem necessary.

BY THE COMMISSION IT IS SO ORDERED.
