RE: IdeaTek Telcom, LLC  
KS USF Traffic Study - Annual "Confidential"  
For the month ending April 30, 2025  
Docket 25-GIMT-141-GIT

Dear Ms. Retz:

Enclosed please find the KS USF Traffic Study - Annual "Confidential" for the month ending April 30, 2025, filed on behalf of IdeaTek Telcom, LLC. No check is enclosed as there are no remittance fees due.

The KS USF Traffic Study contains highly proprietary and confidential commercial and financial information, the disclosure of which to competitors, or potential competitors, would be highly detrimental to the Company. Specifically, page one breaks out the percentage of intrastate traffic on a yearly basis.

The telecommunications industry is highly competitive and it is imperative that public disclosure of confidential information contained in the KS USF Traffic Study of the Company be avoided because of the competitive harm which disclosure of such information would likely cause the Company. The information is only available to a subset of employees of the Company and its legal and financial agents. Disclosure would allow the entire public to review the information dramatically expanding the scope of the disclosure. Therefore, the Company is requesting confidential treatment of the attached KS USF Traffic Study.

Questions regarding this filing should be directed to Priscilla Feliciano's attention at 470-672-3915; priscilla.feliciano@jsitel.com. Thank you for your assistance in this matter.

Sincerely,

Inteserra Compliance
