To who it may concern, My name is Danny Lambeth from Wellsville Kansas and I would like to request a hearing before the KCC as the denial letter from the KHP requested. I am not a motor carrier. I am a Truck Dealer licensed by the KDOR as such. I am not required to be licensed with the KCC or the USDOT. I do not use commercial trucks to further my business. The trucks that I sell and buy are my business. I operate under KSA 8-136 with my Dealer plates and the Kenworth that I was driving was being operated with my Dealer Plate and was not licensed as a commercial truck. Therefore it could not haul freight as a commercial Truck.

Thank You Danny Lambeth
