Re: Time Warner Cable Internal Restructuring

by
State Corporation Commission
of Kansas

Dear Ms. Petersen-Klein,

I am writing to advise you of an internal restructuring by Time Warner Cable Inc. ("TWC") which will involve the Kansas State-Issued Video Service Authorization ("VSA") held by Time Warner Entertainment-Advance/Newhouse Partnership ("TWEA/N") d/b/a Time Warner Cable in Docket No. 07-KCTC-1394-VSA.

As you may know, TWC operates its cable systems through various indirect, wholly-owned subsidiaries, including TWEA/N. In order to streamline our organization, we are undertaking an internal reorganization (the "**Transaction**") whereby our cable operations will be conducted through seven regional entities designed to simplify management reporting and create a more geographically rational structure. Upon completion of the Transaction, the Kansas State-Issued Franchise will be held by Time Warner Cable Midwest LLC, an indirect, wholly-owned subsidiary of TWC.

The Transaction will not result in a transfer of control. TWC will retain ultimate ownership and management authority over the cable systems in Kansas. This Transaction will have absolutely no impact on the cable system operations or our local staff or management. We will continue to do business as Time Warner Cable. Our principal place of business and company contacts in Kansas will stay the same and there will be no change in Time Warner Cable's service area footprint or the types of technologies used in serving the footprint as a result of the Transaction.

We have enclosed the Kansas Corporation Commission Initial Application for Time Warner Cable Midwest, LLC. We respectfully request an effective date for this VSA of September 30, 2012. An Amendment, Termination or Transfer completed by TWEA/N will follow.

We are concurrently providing notification to the local communities served pursuant to the Kansas VSA. Those communities are listed on the attachment to the Initial Application included in this package.

Finally, there will be no change in Time Warner Cable's continuing commitment to provide our customers with the best variety and quality in entertainment and information, all at competitive rates with excellent customer care.

Should you have any questions regarding the Transaction, please contact me at monique.crawford@twcable.com or (703) 345-3175.

Sincerely,

TIME WARNER CABLE INC.

RE: TIME WARNER CABLE MIDWEST LLC

ID. # 4622023 (USE IN ALL CORRESPONDENCE WITH OUR OFFICE)

Enclosed is certified copy of the foreign limited liability company application for registration in the state of Kansas. Your foreign limited liability company's business entity identification number is at the top of this page. This business entity identification number should be used in all correspondence with our office.

Every foreign limited liability company must file an annual report with our office and pay a filing fee. The annual report and fee are due together on the 15th day of the fourth month following the tax closing month. (For example, if the tax closing month is December, the due date is April 15 of the following year). The annual report may be filed as early as January 1. An annual report is not required if the company has not been incorporated for six months prior to its first tax year end. If the company operates on a tax year end other than the calendar year, you must notify our office in writing prior to December 31.

The annual report may be filed electronically at www.sos.ks.gov or you may obtain a paper form from the Web site.

PLEASE NOTE: Your business entity may be required by Kansas law to file Form K-150 and a possible franchise tax with the Kansas Department of Revenue each year. For information regarding Form K-150 contact the Kansas Department of Revenue at (785) 368-8222 or www.ksrevenue.org.

7. Description and drawing of the type of technologies to be used in serving the footprints

There will be no change to the technologies used in serving the footprints as a result of the transfer of the VSA to Time Warner Cable Midwest LLC. The company will continue to operate a hybrid fiber-coax system.
