RE. Docket 15-CONS\_550-CPEN

Dear Kcc I Michael Hall do hereby request a hearing  
to protest said fine for vilation of KCC K.A.R. 82-1-215

In 1999I sold said lease(Baker) to Yukon proprieties . I  
agreed to operate the lease until a permanent operater could be  
found .In about 2003 verde iol Co. took over operation for Yukon.  
Mr Jeff Dalee an geolgist for Verde mmet me at the Baker with all  
all the paper work including an T1. I have no knowledge of what  
Mr Dale did with the forms. I have talked to Doyle Biller of Yukon  
He stated verde operated the lease for some time and later  
sign the lease backk to Yukon In 2010 the lease was sold to Terry  
Terry Caroll oil from Independence Ks. who later filed bankrupcy.  
the lease now belongs to a land co .I explained all this to Ms

Anita Dean as soon as I recieved the certified packet , she  
she stated that she would dig deeper ,I did hear any more until  
thepacket arrived. I called Ms dean she admitted she found  
later afterthe fine was in posedshe found where Yukon Proprieties  
were the last operator to M I T the Baker well. I talked to the  
KCC leagal department they said the only way to get rid of the  
fine was to pay it or protest it so I hereby request relief from  
the fime because I have not operatated the lease or owend the  
the lease is the property of an land company so I request an  
hearing for relief of said action by the Kcc

When the lease was sold to Carol Energy John Horsch did all  
legals for Doyle Biller of Yukon
