Re: Docket No. 19-GIMT-056-GIT

Dear Ms. Retz,

Enclosed please find the revised page 3 of Attachment A of the Kansas Universal Service Fund Annual Update for Mutual Telephone Company (MTC). Also enclosed for filing in the above-referenced docket is page 3 of the supporting documentation which was inadvertently left off of the original filing on Oct. 19, 2018.

MTC believes the information contained in the supporting documentation is of such competitive sensitivity that its disclosure to any person other than MTC, the Commission, and Staff is prohibited by K.S.A. 66-1220(a). Disclosure of trade secrets and confidential information to any person, including parties to this proceeding, is prohibited unless the Commission finds the disclosure is warranted, after considering all of the factors in that statute. The carrier believes that disclosure of the information contained in the supporting documentation would have a significant and adverse impact on its competitive stance regarding existing or potential competing entities including wireless carriers, competitive local exchange carriers, and incumbent local exchange carriers. Regulatorily mandated disclosure of any or all of the subject information would create a competitive bias in favor of any actual or potential competitor not required to provide comparable information, reducing or eliminating any benefit to consumers otherwise resulting from unbiased competition and damaging the submitting company's ability to engage in fair competition.

Please do not hesitate to call with any questions you may have.

Very truly yours,

Mark E. Caplinger
