OF MERIT ENERGY COMPANY, LLC,)
FOR AN EXCEPTION TO THE 10-YEAR)
TIME LIMITATION OF K.A.R. 82-3-111) CONSERVATION DIVISION
FOR ITS LADNER MORROW LIME UNIT)
WELL IN THE NORTHWEST QUARTER)
OF THE NORTHEAST QUARTER OF) LICENSE NO. 32446
THE NORTHEAST QUARTER OF)
SECTION 24, TOWNSHIP 27 SOUTH,)
RANGE 35 WEST, GRANT COUNTY,)
KANSAS.)
_____)

APPLICATION

COMES NOW, Merit Energy Company ("Merit"), by and through its attorney, Zach K. Wiggins, and in support of its Application in the above captioned matter states as follows:

1. Merit is authorized to do business in the State of Kansas, and has a street address of 13727 Noel Road, Suite 1200, Dallas, Texas, 75240.
2. The Kansas Corporation Commission has issued Merit operator's license 32446, which expires on May 30, 2025.
3. Merit is the owner and operator of the Ladner Morrow Lime Unit 601 well, which is located in the Northwest Quarter of the Northeast Quarter of the Northeast Quarter of Section 24, Township 27 South, Range 35 West, Grant County, Kansas, API # 15-067-21509-00-00. The subject well is located on an active oil and gas lease or unit comprising the following lands:

Northeast Quarter of Section 24, Township 27 South, Range
35 West, Grant County, Kansas.

4. The Ladner Morrow Lime Unit 601 was originally perforated in the Morrow Formations but was not actively produced and was shut-in as inactive.

5. Pursuant to K.A.R. 82-3-111, Merit sought and obtained temporary abandonment status for said well on or about October 27, 2014.

6. On or about October 24, 2024, the Kansas Corporation Commission notified Merit of the KCC's denial of renewal of temporary abandonment status for the well due to the limitation period of ten (10) years imposed by K.A.R. 82-3-111.

7. K.A.R. 82-3-111 imposes a 10-year limitation on the amount of time during which wells may be temporarily abandoned, but an exception to the 10-year limitation may be obtained pursuant to said regulation through an Application filed with the Commission pursuant to K.A.R. 82-3-100. Applicant seeks such an exception.

8. Merit wishes to continue temporary abandonment status for the subject well because the Ladner Morrow Lime Unit 601 could be used as an injector in the flood to help support the Ladner Morrow Lime Unit 401, 405 and 502. Merit is currently evaluating the potential of converting the Ladner Morrow Lime Unit 601. Currently the Ladner Morrow Lime Unit Flood is not getting enough injection support from the South where the Ladner Morrow Lime Unit 400 and 500 pattern wells are at. By converting the Ladner Morrow Lime Unit 601, Merit would be able to get water in the ground directly supporting Merit's Southern pattern producers. The Ladner Morrow Lime Unit Flood has an expected 28.244 MBO in gross remaining reserves in the flood.

9. A Commission Staff-witnessed mechanical integrity test of the casing between the surface and a point within fifty (50) feet above the uppermost perforations is pending.

10. There are twenty (20) wells on the lease including three (3) active injection wells, three (3) temporarily abandoned injection wells, ten (16) active production wells, three (3) temporarily abandoned production wells, and one (1) water supply well. It would cost an estimated Seven Hundred Thousand Dollars (\$700,000.00) to plug this well and the remaining wells on the lease. A current production rate for the lease is 40-50 BOPD. A basic estimation of remaining reserves in the flood is 28.244 MBO. In order to reactivate the Ladner Morrow Lime Unit 601 well, it would cost approximately Eighty-Five Thousand Dollars (\$85,000.00) based on current prices. It would cost an estimate of Nine Hundred Seventy-Five Thousand Dollars (\$975,000.00) based on current prices to drill and complete a replacement well.

11. Merit has included a plat map, attached as Exhibit A, showing the locations of all producing, injection, temporarily abandoned, abandoned and plugged wells located on the same lease premises as the subject well.

12. Based on the foregoing, Merit requests the Commission grant an exception to the 10-year limitation, specifically to allow the Ladner Morrow Lime Unit 601 well to remain eligible for temporary abandonment status for three (3) years following the expiration of 10-year limitation. Merit understands that the exception would be valid for three (3) years, but Merit would still need to apply annually to the Conservation Division District Office for approval of an Application for temporary abandonment status.

13. Listed in attached Exhibit B are the names and addresses of the following persons:

A. Each operator of each oil and gas lease covering lands within one-half (1/2) mile radius of the subject well; and

B. Each person who owns any mineral interest of record in and under any lands located within one-half (1/2) mile radius of the subject well if unleased.

14. That the Applicant has sent by regular mail a copy of this Application and Notice of Pending Application to all persons listed on the attached Exhibit B.

15. Notice of this Application will be published pursuant to K.A.R. 82-3-135a.

16. WHEREFORE, Merit prays that this matter be granted administratively without a hearing, or in the alternative be set for hearing, and upon hearing that the Commission grant Merit's request for an exception to the K.A.R. 82-3-111 10-year limitation, to allow the subject well to remain temporarily abandoned for three (3) years, subject to annual approval by the Conservation Division District Office of an application for temporary abandonment status.

Respectfully submitted,

MARTIN, PRINGLE, OLIVER, WALLACE
& BAUER, L.L.P.

NOTICE OF PENDING APPLICATION

THE STATE CORPORATION COMMISSION
OF THE STATE OF KANSAS

TO: ALL OIL AND GAS PRODUCERS, UNLEASED MINERAL INTEREST OWNERS, LANDOWNERS, AND ALL PERSONS WHOMSOEVER CONCERNED:

YOU, and each of you, are hereby notified that Merit Energy Company has filed an Application for an exception to the ten-year time limitation of K.A.R. 82-3-111 for the Ladner Morrow Lime Unit 601 well, located in the Northwest Quarter of the Northeast Quarter of the Northeast Quarter of Section 24, Township 27 South, Range 35 West, Grant County, Kansas, API # 15-067-21509-00-00.

YOU are further notified that unless written protest is received by the State Corporation Commission within fifteen (15) days after publication of this Notice, the Application in this matter can be granted by administrative approval after said 15 day period. Any such protest should be mailed to the State Corporation Commission of the State of Kansas, Conservation Division, 266 North Main, Suite 220, Wichita, Kansas, 67202, and to the Applicant at the address shown.

All parties in any wise interested or concerned shall take notice of the foregoing and govern themselves accordingly.

Merit Energy Company.
