**ORDER**

NOW, the above-captioned matter comes before the State Corporation Commission of the State of Kansas ("Commission"). Having examined its files and records, and being duly advised in the premises, the Commission finds and concludes as follows:

1. On February 26, 2007, Southwestern Bell Telephone, L.P., d/b/a SBC Kansas ("SWBT") filed for approval of a modification to the interconnection agreement between it and MCImetro Access Transmission Services, LLC ("MCImetro"). The modification amends the agreement to add the generic Out of Exchange Traffic Appendix and was previously approved in Docket No. 03-SWBT-045-IAT.

2. Both companies hold forth that there are no outstanding issues between them that need the assistance of mediation or arbitration. The parties seek Commission authority as required by the Federal Telecommunications Act of 1996.

3. SWBT believes approval of the modification is consistent with the public interest, convenience and necessity. SWBT indicates the agreement, with the proposed modifications, and the attachments incorporated therein are an integrated package and are the result of negotiation and compromise.

4. The Commission finds and concludes that the modification to the previously approved Interconnection Agreement between Southwestern Bell Telephone, L.P. d/b/a SBC Kansas and MCImetro Access Transmission Services, LLC should be granted. The implementation of the modification is consistent with the public interest, convenience and necessity and does not, on its face, discriminate against any telecommunications provider not a party to the agreement.

**IT IS, THEREFORE, BY THE COMMISSION ORDERED THAT:**

A. The February 26, 2007 application of Southwestern Bell Telephone, L.P. d/b/a SBC Kansas for approval of a modification to its interconnection agreement with MCImetro Access Transmission Services, LLC is hereby approved.

B. The parties have fifteen days, plus three days if service of this order is by mail, from the date this order was served in which to petition the Commission for reconsideration of any issue or issues decided herein. K.S.A. 66-118; K.S.A. 2006 Supp. 77-529(a)(1).

C. The Commission retains jurisdiction over the subject matter and the parties for the purpose of issuing such further order, or orders, as it may deem necessary.

**BY THE COMMISSION IT IS SO ORDERED.**
