

**THE STATE CORPORATION COMMISSION
OF THE STATE OF KANSAS**

3. On March 15, 2016, HollyFrontier El Dorado Refining LLC (HollyFrontier) filed a Petition to Intervene in this proceeding. HollyFrontier asserts that as owner and operator of the El Dorado Refinery it receives electric service from Westar, therefore any change in Westar's Transmission Delivery Charge will significantly increase the rate applied to HollyFrontier.

4. The Commission has broad discretion to grant a petition for intervention if it is in the interest of justice, if the intervention will not impair the orderly and prompt conduct of the proceedings, and if the party has stated facts demonstrating its legal rights, duties and privileges, immunities, or other legal interests may be substantially affected by the proceeding. Furthermore, at any time during a proceeding, the Commission may impose limitations on an intervenor's participation.

5. No parties have objected to the above intervention petitions.

6. The Commission finds that the above parties have met the requirements of K.A.R. 82-1-225 and K.S.A. 77-521 and should be granted intervention in this docket. The parties will be added to the mailing list, and electronic service of pleadings, communications, and correspondence should be delivered as follows:
