MOTION TO CLOSE DOCKET

The Staff of the State Corporation Commission of the State of Kansas (“Staff” and “Commission,” respectively) files this *Motion to Close Docket*.

In support of its Motion, Staff states as follows:

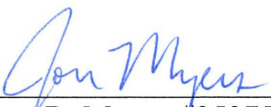

1. On May 5, 2017, L & G Petroleum Operating, LLC (Operator) submitted a license application. The same day, Staff denied Operator’s license application because of Operator’s association with Equinox Oil Company, License #9312, which is not in good standing with the Commission. Operator requested a hearing.

2. On June 22, 2017, the Commission issued an order setting a prehearing conference for August 24, 2017. The prehearing conference has been continued several times, with a status conference most recently held March 1, 2018.¹ At the moment, no prehearing conference is scheduled and no procedural schedule has been issued.

3. Pursuant to K.A.R. 82-3-120(h) and Commission policy, Staff has approved Operator’s application and has issued Operator’s license.

WHEREFORE, as no issues remain to be resolved, Staff moves this docket to be closed.

Respectfully submitted,

266 N. Main, Suite 220, Wichita, Kansas 67202
