**PREHEARING OFFICER ORDER REGARDING ELECTRONIC SERVICE**

At a prehearing conference held on January 10, 2017, all parties agreed to the electronic service of documents. Therefore, the Prehearing Officer orders that service of documents may be made by email. To the extent that it is practicable, any electronically served document shall be attached to the email and served in pdf format.

The Prehearing Officer notes that filing of documents with the Commission must still be done either through the Commission's "e-filing express" system, or by mail or hand delivery to the Commission. The Prehearing Officer orders, however, that if a document is filed by mail or hand delivery, only the original and two copies must be supplied.

Orders by the Prehearing Officer and the Commission will continue to be mailed to the parties, although a courtesy electronic version may be provided.

**BY THE PREHEARING OFFICER IT IS SO ORDERED.**

Dated: 1/12/17
