RE: Challenge letter for Invoice H000572050

Dear Sir/Madam:

I'm sending this "challenge" as a contested issue to the penalty/invoice sent on November 29th. I was recently pulled over due to the fact that at that time I didn't have a current UCR. I was completely unaware of this information since I'd only reinstated my Motor Carrier authority starting on October 31st of this year.

Upon becoming aware of this information after being pulled over at the scale, I IMMEDIATELY got online and submitted the information to pay and reinstate my UCR. Unfortunately, as this was Thanksgiving "weekend"; I couldn't get the official certificate until the following Monday but as you can see I did get it taken care of from the submitted paperwork right away.

I was not made aware of this fee when I spoke with the officer. I faxed in the appropriate paperwork within my 15 days and have become compliant with the rules of the UCR.

If you have any questions, please do not hesitate to contact me.

Respectfully,

Admir Didovic
