Re: Docket No. 18-ONEP-502-CON

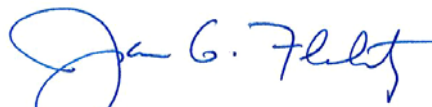

Dear Ms. Retz:

During a recent audit, it was discovered that the pipelines ONEOK NGL Pipeline, L.L.C. ("NGL") leases capacity to HollyFrontier Refining & Marketing LLC ("HFRM") under the 2011 Lease Agreement and amendments thereto (including the amendment which is the subject matter of the above-referenced docket) and NGL's limited contract carrier certificate allowing NGL to operate the pipelines to perform services under the Lease Agreement, are owned by ONEOK Hydrocarbon, L.P. ("OHLP") and not NGL. Paragraph 6.1 of the 2011 Lease Agreement filed for approval with the Kansas Corporation Commission ("Commission") in Docket No. 12-ONEP-333-CON, incorrectly stated that NGL was the owner of the pipelines.

The purpose of this letter is to inform the Commission of the above-mentioned error in the 2011 Lease Agreement for the record and to notify the Commission that OHLP is in the process of assigning ownership of the pipelines to NGL. The assignment of the pipelines from OHLP to NGL shall have no impact on NGL's limited contract carrier certificate or NGL's request in the above-referenced docket since NGL is the entity that has operated the pipeline since the 2011 Lease Agreement was filed with the Commission and is the proper entity to hold the limited contract carrier certificate under K.S.A. 66-104 and 66-131, as operator of the pipelines.

Please let me know if you have any questions regarding this notice filing.

Sincerely,

James G. Flaherty
