OBJECTION OF MID-KANSAS ELECTRIC COMPANY, LLC, PRAIRIE LAND ELECTRIC COOPERATIVE, INC., AND SOUTHERN PIONEER ELECTRIC COMPANY TO

<u>PETITION TO INTERVENE OF WESTERN KANSAS INDUSTRIAL ELECTRIC</u> <u>CONSUMERS GROUP</u>

Mid-Kansas Electric Company, LLC ("Mid-Kansas"), Prairie Land Electric Cooperative, Inc. ("Prairie Land"), and Southern Pioneer Electric Company ("Southern Pioneer)(collectively, the "Objecting Parties") hereby object to the Petition to Intervene of Western Kansas Industrial Electric Consumer Group ("WKIEC") filed in this docket on August 11, 2015. In support of its objection, the Objecting Parties state as follows:

1. A petition to intervene by WKIEC in this proceeding must state facts demonstrating that individual WKIEC members' legal rights, duties, privileges, immunities or other legal interests may be substantially affected by the proceeding. The individual members of WKIEC's petition to intervene fails to meet this standard with respect to the 34.5kV formula-based rates ("34.5kV FBRs") applied for by Prairie Land and Southern Pioneer because WKIEC is unaffected with respect to Prairie Land's and Southern Pioneer's 34.5kV FBRs.

¹ K.S.A. 77-521(a)(2) and K.A.R. 82-1-225(a)(2).

- 2. As stated in the Joint Application filed in this Docket, Mid-Kansas, Prairie Land, Southern Pioneer, The Victory Electric Cooperative Association, Inc. ("Victory"), and Western Cooperative Electric Association, Inc. ("Western") have filed a request for approval of four respective 34.5kV FBRs.
- 3. The individual members of WKIEC state that they have an interest in the proceeding for the following reasons:
 - a. WKIEC is voluntary association of Western Kansas industrial consumers, consisting of the following entities: Cargill, Inc. ("Cargill"), served by Victory; Linde, Inc. ("Linde"), served by Western; DCP Midstream, L.L.C. ("DCP") and Air Products & Chemicals, Inc. ("API"), served by Southern Pioneer.²
 - b. The WKIEC members taking 34.5kV service are retail customers, but they pay the LAC that will be affected by this filing and therefore have a justifiable interest in the outcome of this proceeding.³
- 4. The Objecting Parties do not dispute that the aforementioned members of WKIEC are each retail customers of Victory, Western or Southern Pioneer. However, no WKIEC member is a retail customer of nor receives service from Prairie Land. Also, no WKIEC member will be billed the LAC calculated by Prairie Land's 34.5kV FBR.⁴ Further, while DCP and API are served by Southern Pioneer, they are not served via Southern Pioneer's 34.kV sub-transmission facilities and therefore do not pay Southern

³ *Id.* at ¶3.

⁴ See Id. at Appendix A (listing no WKIEC member as receiving service from Prairie Land).

Pioneer's rates calculated by this 34.5kV FBR.⁵ Because DCP and API are the only WKIEC members served by Southern Pioneer, no WKIEC member will be billed any rates calculated by Southern Pioneer's 34.5kV FBR.

5. WKIEC members will be entirely unaffected by any outcome of Southern Pioneer's and Prairie Land's 34.5kV FBR. Therefore, WKIEC's petition to intervene with respect to the 34.5kV FBRs applied for by Southern Pioneer and Prairie Land fails to meet the requirements of K.A.R. 82-1-225(a)(2) and should be denied. Any approved intervention should be limited to matters related only to Victory's and Western's 34.5kV FBRs.
