The above-captioned matter comes before the State Corporation Commission of the State of Kansas (“Commission”). For consideration and determination. Having examined its files and records, the Commission finds and concludes:

1. On January 8, 2025, the Brightspeed Companies of Kansas (“Brightspeed”) filed with the Commission an application for revisions to its Local Exchange Tariff (“Application”), pursuant to K.S.A. 66-2007(b) for Commission approval.¹

2. K.S.A. 66-117(c) states in part:

The commission shall not delay the effective date of the proposed change in rate, joint rate, toll, charge or classification or schedule of charges, or in any rule or regulation or practice pertaining to the service or rates of any such public utility or common carrier, more than 240 days beyond the date the public utility or common carrier filed its application requesting the proposed change. If the commission does not suspend the proposed schedule within 30 days of the date the same is filed by the public utility or common carrier, such proposed schedule shall be deemed approved by the commission and shall take effect on the proposed effective date.

¹ Brightspeed Companies of Kansas, Application (Jan. 8, 2025).

The effectiveness of the Application is hereby suspended for a period of 240 days from the date it was filed, January 8, 2025, until Thursday, September 4, 2025, pursuant to K.S.A. 66-117(c). A Commission decision may be issued before such date.

THEREFORE, THE COMMISSION ORDERS:

A. Pursuant to K.S.A. 66-117(c), the Application in the above-captioned docket shall be suspended, and the effective date deferred, until September 4, 2025, pending further action by the Commission.
