In the Matter of the Application of Kansas                     )  
Gas Service, A Division of ONE Gas, Inc.                     )

**STAFF'S ERRATA TO TESTIMONY OF  
STAFF WITNESS JUSTIN W. PRENTISS**

COMES NOW, the Staff of the State Corporation Commission of the State of Kansas (Staff and Commission, respectively), makes this errata filing to correct testimony of Staff witness Justin W. Prentiss (Prentiss). For the convenience of the parties, this filing is provided instead of corrections provided at hearing, so that necessary clarifications of the testimony and position of Prentiss can be made available now, in advance of the hearing. The corrected testimony is attached. Following is an explanation of the corrections:

1. Staff discovered the "Test-Year Revenue Adjustment (Flex)" was incorrectly labeled "Test Period Adjustments", and the value therein was mistakenly listed as \$153,467, when it should be listed as \$126,970.

WHEREFORE, Staff provides this errata filing.

Respectfully submitted,

A handwritten signature in blue ink, appearing to read "P. Anshutz", is written over a horizontal line.

ATTORNEYS FOR STAFF

1                                   **I.       STATEMENT OF QUALIFICATIONS**

2   **Q.     What is your name?**

3   A.     My name is Justin W. Prentiss.

4   **Q.     By whom and in what capacity are you employed?**

5   A.     I am employed by the Kansas Corporation Commission (KCC or Commission) as  
6           a Senior Research Economist within the Economics and Rates Section of the  
7           Utilities Division.

8   **Q.     What is your business address?**

9   A.     1500 SW Arrowhead Road, Topeka, KS, 66604-4027.

10  **Q.     What is your educational background and professional experience?**

11  A.     I hold a Bachelor's Degree in Applied Mathematics from the University of  
12           Rochester and am currently pursuing a Master's Degree in Applied Economics at  
13           the University of Wisconsin-Whitewater. I have been a Senior Research Economist  
14           with the KCC since February 2018.

15  **Q.     Have you previously submitted testimony before this Commission?**

16  A.     Yes, I filed direct testimony in Docket Nos. 18-WSEE-328-RTS and 18-KCPE-  
17           480-RTS.

18                                   **II.     INTRODUCTION**

19  **Q.     What is the purpose of your testimony?**

20  A.     The purpose of my testimony is to sponsor Staff's rate annualization adjustment of  
21           \$153,467 and explain why I agree with KGS's Test-Period-Year Revenue  
22           Adjustments (Flex).

1 usage and customer counts were proportionally applied to the difference in the tariff  
2 rates. The proportional share was calculated using the twenty-two billing dates in  
3 January and analyzing which parts of those bills would contain December usage.  
4 In addition, Staff's rate annualization incorporated the results of the weather  
5 normalization and customer annualization.

6 **Q. What is the total difference between the rate annualization revenue impact**  
7 **calculated by Staff and KGS?**

8 A. The total revenue impact on RS is \$913,357, on GSS is \$106,182, on GSL is  
9 \$63,496, and on GSTE is \$7,514. This results in Staff's total Rate Annualization  
10 of \$1,090,548 which differs from KGS's Rate Annualization of \$937,081 by  
11 \$153,467.

12 ***Conclusion and Recommendation***

13 **Q. What is Staff's recommendation?**

14 A Because the weather-normalized usage amounts are equivalent to the usage that  
15 would be present during a normal year, and the customer-annualized amounts  
16 accurately represent the customer numbers and usage during a normal year, using  
17 these adjusted values most accurately portrays the impact of the rate annualization.  
18 Therefore, my recommendation is the Commission accept Staff's rate annualization  
19 adjustment which results in a revenue increase of \$153,467.

1 **Test-Period-Year Revenue Adjustments (Flex)**

2 **Q. Do you have any adjustments to KGS's Test-Year Revenue Period**  
3 **Adjustments (Flex)?**

4 A. No. I have reviewed KGS's workpaper and found their methodology and inputs to  
5 be appropriate. Therefore, I recommend that the Commission accept KGS's Test  
6 Period Adjustments for the amount of \$153,46726,970.

7  
8

**IV. CONCLUSION**

9 **Q. Please summarize the recommendations discussed in your testimony.**

10 A. I recommend the Commission accept Staff's rate annualization adjustment of  
11 \$153,467, as it reflects the most accurate conversion of KGS's test year to a normal  
12 year. Also, I recommend the Commission accept KGS's Test-Year Revenue Period  
13 Adjustments (Flex) adjustment of \$153,46726,970.

14 **Q. Does this conclude your testimony?**

15 A. Yes. Thank you.
