**SUSPENSION ORDER: JUNE 12, 2025**

The above-captioned matter comes before the State Corporation Commission of the State of Kansas (Commission) for consideration and decision. Having reviewed its files and records, and being duly advised in the premises, the Commission makes the following findings:

1.       On October 15, 2024, Jayhawk Pipeline, LLC filed with the Commission an Application for approval of tariff revisions to increase rates pursuant to the Federal Energy Regulatory Commission (FERC) Order issued September 17, 2024 in Docket No. RM20-14-003.<sup>1</sup> The proposed tariff changes implement rate increases, based on the annual rate indexing methodology established by FERC.

2.       K.S.A. 66-117(c) states in part:

The commission shall not delay the effective date of the proposed change in rate, joint rate, toll, charge or classification or schedule of charges, or in any rule or regulation or practice pertaining to the service or rates of any such public utility or common carrier, more than 240 days beyond the date the public utility or common carrier filed its application requesting the proposed change. If the commission does not suspend the proposed schedule within 30 days of the date the same is filed by the public utility or common carrier, such proposed schedule shall be deemed approved by the commission and shall take effect on the proposed effective date.

<sup>1</sup> Jayhawk Pipeline LLC’s Application (Oct. 15, 2024) (Application).

3. A full investigation of the Application, which may result in a hearing, is deemed necessary and proper. Absent suspension, the Commission and its Staff are without sufficient time to fully review, consider, and analyze whether approval of the Application will result in just and reasonable rates.

4. The Commission finds and concludes that suspension of the effectiveness of the proposed schedule and deferral of its effective date are required to allow sufficient time for full investigation of this matter. The effectiveness of the schedule is hereby suspended for a period of 240 days from the date the Application with the proposed schedule was filed, October 15, 2024, until Thursday, June 12, 2025, pursuant to K.S.A. 66-117(c). A Commission decision may be issued before such date.

**THEREFORE, THE COMMISSION ORDERS:**
