RE: YourTel America, Inc. Confidential Compliance Filing  
Docket No. 12-TPCT-768-ETC

Dear Director Petersen-Klein:

Pursuant to the Order Clarifying Filing Requirements issued by the Kansas Corporation Commission on December 5, 2012 in Docket No. 12-TPCT-768-ETC, enclosed please find YourTel America Inc.'s ("YourTel") required report listing the number of Kansas customers subscribing to each calling plan where a state and/or federal Lifeline subsidy is being applied.

Pursuant to K.A.R. 82-1-221a, YourTel respectfully requests that this filing be confidential. A redacted version has also been submitted for the public. YourTel takes measures to protect this information when it is made available to non-employees and employees alike, which is done only under limited circumstances. Specifically, making customer plan and count information public would allow a competitor access to otherwise unavailable information to benchmark YourTel's internal operations against its own, and draw inferences about YourTel's operations and demand for its services. A competing firm would not be able to gain this information from any publicly available sources.

Should there be any questions or additional information required, please do not hesitate to contact me at (405) 755-8177 ext. 25 or by email at [mdean@telecompliance.net](mailto:mdean@telecompliance.net).

Sincerely,

/s/ Matt Dean
