

18-CONS-3126-CPEN

Kansas Corporation Commission
266 N Main St., Suite 220
Wichita, Ks 67202

To whom it may concern:

I am writing to contest the penalty that my father was sent on August 31, 2017 and I received on Monday 9/11/2017.

I am power of attorney for my 90 year old father and he is living in a care facility. I had the mail forwarded to me in April. I was told by Paula Murray that correspondence between the commission and my father had been returned as undeliverable. The first notification that I received was the Notice of Penalty Assessment. At that time I immediately called your office and was emailed the renewal application, returned it by mail along with the \$25 and a copy of the Durable Power of Attorney.

I am not sure how you can penalize us when I did not receive notification and your office has proof that the notices were returned. I have proof that I had their mail forwarded to me at 104 Abbe Cir., in Medicine Lodge, KS.

I am asking for the Penalty to be waived.
I can be reached at 620 930-8002.
