## SETTLEMENT AGREEMENT

This Settlement Agreement is between Belport Oil, Inc. ("Operator") (License #33809) and the Staff of the Corporation Commission of the State of Kansas ("Staff"). The effective date of this Settlement Agreement shall be the date it is approved by an Order of the Commission. If the Commission does not approve this Settlement Agreement by a signed Order, then this Settlement Agreement shall not be binding on either party. This Settlement Agreement shall settle the proceedings instituted in Commission Docket Number 15-CONS-833-CPEN.

### A. Background

1. The April 30, 2015, Penalty Order in this docket required Operator to pay \$500 for one violation of K.A.R. 82-3-107 and K.A.R. 82-3-130, and also required Operator to submit a Well Completion ("ACO-1") Report. Operator filed a timely appeal, and has submitted the ACO-1 Report. The parties wish to settle this matter, rather than engage in litigation.

### B. Terms of Settlement

2. Instead of paying \$500, Operator shall pay \$200 in this docket, which shall be due within 30 days from the date this Settlement Agreement is approved by an Order of the Commission. If Operator fails to comply with the payment deadline, then Staff shall suspend Operator's license until compliance is obtained.

3. Operator agrees to waive its right to appeal any future orders of the Commission regarding this matter, or any suspension of Operator's license implemented by Commission Staff due to Operator's failure to comply with this Settlement Agreement.

Received  
KANSAS CORPORATION COMMISSION

CONSERVATION DIVISION  
WICHITA, KS

C. Conclusion

Both parties believe that this Settlement Agreement represents a fair and appropriate resolution to the matters in this docket, and that the Settlement Agreement accomplishes the Commission's duty to enforce Kansas laws pertaining to the protection of usable waters and the prevention of pollution caused by oil and gas activities.
