

**BEFORE THE STATE CORPORATION COMMISSION
OF THE STATE OF KANSAS**

In The Matter of The Application of Kansas)
Gas Service, a Division of ONE Gas, Inc. For) Docket No. 22-KGSG-466-TAR
the Recovery of Qualified Extraordinary)
Costs and Issuance of a Financing Order.)

ERRATA TO JANET L. BUCHANAN EXHIBITS JBL-3 AND JBL-4

Kansas Gas Service, a Division of ONE Gas, Inc. (“Kansas Gas Service” or “Company”), respectfully submits the following Errata to Janet L. Buchanan Exhibits JBL-3 and JBL-4. In support thereof, Kansas Gas Service states the following to the State Corporation Commission of the State of Kansas (“Commission”):

I. BACKGROUND

1. On March 31, 2022, Kansas Gas Service submitted its Application for Financing Order in the instant matter. Three witnesses testify in support of the Company’s Application.
2. Janet L. Buchanan submitted testimony with supporting schedules and exhibits.
3. Exhibit JBL-3 to Ms. Buchanan’s testimony contains the Company’s proposed “Sales Service for Resale Winter Event Cost Recovery Rider.” Exhibit JBL-4 to Ms. Buchanan’s testimony contains proposed tariffs for the Company’s retail sales customers. The proposed tariffs contained in Exhibit JBL-4 are presented in redline to indicate Kansas Gas Service’s proposed Winter Event Securitized Cost Recovery Rider (“WESCR”) would apply to the Company’s retail sales customers.

II. ERRATA

4. The proposed redlines included in Exhibit JBL-4 were inadvertently included in duplicate in Exhibit JBL-3. Exhibit JBL-3 should only contain the “Sales Service for Resale Winter Event Cost Recovery Rider.” The attached Exhibit JBL-3 removes this duplication.

5. The proposed tariffs included in Exhibit JBL-4 contain an incorrect “Service Charge.” Following the 2020 enactment of Senate Substitute for HB 2585, which exempted regulated electric and natural gas utilities from paying state income tax, Kansas Gas Service amended its tariffs to reflect the exemption. However, the proposed tariffs in Exhibit JBL-4 inadvertently included the Company’s pre-exemption rates. The attached Exhibit JBL-4 contains the Company’s post-exemption rates. Correcting the Company’s “Service Charge” does not alter any previously proposed redlines.

III. CONCLUSION

6. Kansas Gas Service is submitting an Errata to correct two items in exhibits sponsored by Ms. Buchanan. The revisions to Exhibit JBL-3 remove proposed tariffs that were inadvertently included twice in Ms. Buchanan’s testimony. The revisions to Exhibit JBL-4 correct the proposed tariffs to reflect Kansas’ income tax exemption for Kansas Gas Service. None of these revisions alter any term associated with the Company’s request for a Financing Order.

WHEREFORE, Kansas Gas Service respectfully requests the Commission accept this Errata, and any other relief the Commission deems just and reasonable.

Respectfully submitted,

/s/ Robert Elliott Vincent

Sheet 1 of 1

General Sales Service Small

Availability

Available in and around the communities specified in the Index to nonresidential customers at single locations. Not available for service to separately metered generators with a capacity less than 20 kilowatts. Service is subject to the Definitions and Conditions section below.

Net Monthly Bill

\$27.88 Service Charge, plus

Applicable adjustments and charges provided in Company’s Gas System Reliability Surcharge, plus

\$2.3472 Delivery Charge per Mcf for all gas delivered, plus

Applicable adjustments and charges provided in Company's Cost of Gas Rider, Weather Normalization Adjustment Rider, Winter Event Securitized Cost Recovery Rider and Ad Valorem Tax Surcharge Rider.

The Net Monthly Bill shall be no less than the Service Charge plus any minimum charges set forth in a customer’s Service Agreement.

Definitions and Conditions

1. Annual deliveries less than 200 Mcf at an individual meter during the last 12 billing periods shall qualify a customer for service under this rate schedule.
2. If a customer does not select a general service rate schedule for which it may qualify, Company may select the applicable general service rate schedule on the customer’s behalf. A customer may change the general service rate schedule which the customer is being billed during the first 12 months of service under the selected rate schedule. Thereafter, the customer is prohibited from making more than one change in a 12-month period.
3. Sales service is provided for the charge specified in the Net Monthly Bill section when supplied from Company's existing facilities. When additional facilities are needed to serve a customer, an additional charge may be required.
4. Multiple meter installations, installed at a single location for a customer's convenience, shall be billed additional Service Charges for each additional meter installation.
5. Sales service under this rate schedule is subject to the provisions and applicable charges contained in Company’s General Terms and Conditions for Gas Service, or successor documents, approved by the Commission.
6. All provisions of this rate schedule are subject to changes made by order of the Commission.

Sheet 5 of 6

No supplement or separate understanding shall modify the tariff as shown herein.

Cost of Gas Rider

- (a) The Hedge Recovery OC component shall be a volumetric charge calculated by dividing the projected net balance by the sales volumes projected to occur in the months of April through October.
 - (b) Company shall show the amounts collected from customers through the Hedge Recovery OC component as a separate line item on the customer’s bill.
- (2) Costs and revenues generated from the settlement of financial derivatives related to Gas Hedge Program sales shall be flowed back as the Hedge Settlement OC component during the months of November through March.
- (a) The Hedge Settlement OC component shall be a volumetric charge or credit that is calculated each month from November through March by dividing the monthly estimated hedge payoff amount by the sales volumes projected to occur in that respective month. The estimated payoff amount shall be adjusted to the actual payoff amount in the following month’s calculation.
 - (b) Company shall not be required to show the Hedge Settlement OC component as a separate line item on the customer’s bill.
- (3) The Hedge Program Year shall be the 12 months beginning with April and ending with March. Any variance remaining at the end of the Hedge Program Year shall be included in the subsequent Actual Cost Adjustment calculation.

d. The reconciliation of the amount of Securitized Utility Tariff Bonds to actual Winter Event costs incurred along with any reductions to those costs as set out in Docket No. 22-KGSG-XXX-TAR. On the first anniversary of the issuance of Securitized Utility Tariff Bonds a comparison is made of actual costs incurred to the securitized amount and any penalty collections received after bond issuance. The difference will be amortized over the remaining life of the securitized bonds. This comparison will take place annually until the disputed invoice and penalty amounts are fully addressed.

Definitions and Conditions

1. All provisions set forth in the rate schedule under which a customer takes service apply to the extent they are not superseded by provisions of this rider.
2. The Computation Year, consisting of the 12 month period ending June 30, shall be the base period for calculation unless otherwise specified.
3. Appropriate Net Gas Costs are those which are properly included in FERC Account Nos. 800, 801, 802, 803, 804, 805, 806, 808, 809, and 811.
