**REQUEST FOR CONTINUANCE AND EXTENSION OF TIME**

COMES NOW, the applicant, EC Services, LLC and requests a continuance of the evidentiary hearing scheduled before the Commission until May 19, 2016 and an extension of thirty days for all of the testimony deadlines set forth in the Prehearing Officer Order dated February 19, 2016.

In support of its motion, Applicant would show that it is in the process of completing a transaction for the acquisition of a new oil and gas lease on the property which is the subject matter of this Application and when completed intends, subject to approval, to conduct operations on the lease but if no lease is

obtained it is the intention of Applicant to dismiss the Application for extension and to plug the Boxberger well. The continuance and extension of time will give the Applicant the opportunity to determine its course of action which may eliminate the necessity of incurring the expense and time of preparation of testimony and having a hearing.

**WHEREFORE,** Applicant requests a continuance and extension as state above.

Respectfully submitted,
