AMENDED APPLICATION

COMES NOW Casillas Petroleum Corp. ("Applicant") in support of its Application in the captioned matter and states as follows:

1. Applicant is an Oklahoma corporation and is duly authorized to do business within the State of Kansas. Casillas's correct mailing address is: Casillas Petroleum Corp., 401 S. Boston Ave, Suite 2400, Tulsa, OK 74103.
2. Applicant has been issued by the Kansas Corporation Commission Operator's License 34997, which expires on 11-30-2025.
3. Applicant is the owner and operator of the Eubank "A" No. 2 well, 15-081-10229-0000("the subject well"), which is located in the Center of the Southeast Quarter of the Southwest Quarter of Section 33, Township 28 South, Range 34 West, Haskell County, Kansas. The subject well is located on an active oil and gas lease or unit comprising the following lands:

[e.g., All of the Section 33, Township 28 South, Range 34 West, Haskell County, Kansas, containing 640 acres, more or less ("leased premises").]

4. Pursuant to K.A.R. 82-3-111, the well was shut in, or Applicant obtained temporary abandonment status, for the subject well on 10-25-2000. The subject well has maintained such status from 10-25-2000, to the present date.
5. On or about 12-24-2024, the Kansas Corporation Commission notified Applicant temporary abandonment status for the subject well, will expire 2-03-2025 because subject well's three year exception expires.
6. K.A.R. 82-3-111 imposes a 10-year limitation on the amount of time during which wells may be temporarily abandoned, but an exception to the 10-year limitation may be obtained pursuant to said regulation through an Application filed with the Commission pursuant to K.A. R. 82-3-100. Applicant seeks such an exception.
7. On 02-06-2025, the subject well passed a Commission Staff-witnessed mechanical integrity test of the casing between the surface and a point within fifty (50) feet above the uppermost perforation or open hole in the well.
8. Applicant wishes to continue TA status for the subject well, because Applicant intends to use the well for the following purpose: This wellbore is necessary to retain for a future recompletion to the Lansing and Kansas City zones.
9. Applicant submits the following information regarding the well in support of the Application.
 - a. This lease as one producing oil well and 3 TA'd oil wells.
 - b. Estimated cos to plug the Eubank A-2 is \$35,000 it would cost \$105,000 to plug the remaining 3 wells on the lease .
 - c. The current production for the Eubank lease is 1 BOPD, 4 MCFD, 71 BWPD.
 - d. Remaining reserves for this well are 5000bbls of oil, – based on rate vs time production forecast.
 - e. Isolate Morrow and Chester with a plug then perforate and stimulate Lansing and Kansas City zones to put well back in production.

- f. To put the Eubank A-2 back in production it would cost approximately \$90,000 to perform the recompletion.
10. Applicant has included a plat map showing the locations of all producing, injection, temporarily abandoned, abandoned, and plugged wells located on the same leased premises as the subject well.
11. Based on the foregoing, Applicant requests the Commission grant an exception to the 10-year limitation, specifically to allow the subject well to remain eligible for temporary abandonment status for three (3) years following the expiration of the 10-year limitation. Applicant understands that the exception would be valid for three (3) years, but Applicant would still need to apply annually to the Conservation Division District Office for approval of an application for temporary abandonment status.
12. Listed in the attached Exhibit "A" are the names and addresses of the following persons:
- a. Each operator of each oil and gas lease covering lands within one-half (1/2) mile radius of the subject well; and
 - b. Each person who owns any mineral interest of record in and under any lands located within one-half (1/2) mile radius of subject well (provided that such mineral interest is not covered by any oil and gas lease).
13. Notice of this Application will be published pursuant to K.A.R. 82-3-135a. In addition, notice of the hearing to be held in this matter will be provided as prescribed by K.A.R. 82-3-135.

WHEREFORE, Applicant prays that this matter be granted administratively without a hearing, or in the alternative be set for hearing, and upon hearing that the Commission grant Applicant's request, for an exception to the K.A.R. 82-3-111 ten (10) year limitation, to allow the subject will to remain temporarily abandoned for three (3) years, subject to annual approval by the Conservation Division District Office of an application for Temporary abandonment status.
