Commission's Authority to Impose Penalties,)
Sanctions and/or the Revocation of Motor Carrier)
Authority.)

ORDER REINSTATING INTRASTATE MOTOR CARRIER OPERATIONS

The above-captioned matter comes on for consideration and determination by the State Corporation Commission of the State of Kansas (Commission), on Transportation Staff's motion. The Commission, being fully advised in the premises, finds as follows:

I. JURISDICTION

1. Pursuant to K.A.R. 82-4-1b, 66-1,111, 66-1,112, 66-1,114, 66-1,114b and 66-1,115, and amendments thereto, the Commission is given full power, authority and jurisdiction to supervise and control motor carriers, as defined in K.A.R. 82-4-1, doing business or procuring business in Kansas, and is empowered to do all things necessary and convenient for the exercise of such power, authority, and jurisdiction.

2. Pursuant to K.S.A. 2018 Supp. 66-1,129a, 66-1,130, and 66-1,142b, and amendments thereto, the Commission may suspend operations, revoke, or amend certificates, and initiate sanctions or fines against every motor carrier and every person who violates any provision

of Kansas law in regard to the regulation of such motor carriers and persons, or who fails to obey any order, decision, or regulation of the Commission.

3. Pursuant to K.S.A. 2018 Supp. 66-1,129(a)(7), the Commission has adopted motor carrier transportation regulations (K.A.R. 82-4-1 *et seq.*) consistent with the federal motor carrier safety assistance program and other federal requirements concerning transportation of hazardous waste.

II. BACKGROUND

4. Scott Construction Co., Inc., of Ottawa, Kansas (Respondent), is a motor carrier as defined in K.A.R. 82-4-1 that operates commercial motor vehicles in intrastate commerce.

5. Respondent is registered as a motor carrier with the U.S. Department of Transportation (USDOT) and operates under USDOT Number 443454.

6. On 8/9/2018, the Commission issued an Order suspending Respondent's intrastate motor carrier operations, other than such motor carrier operations excepted from the Commission's regulation under K.S.A. 2018 Supp. 66-1,129, due to non-compliance with a Penalty Order issued in this docket on April 17, 2018. The Penalty Order also assessed Respondent a \$3,000 civil fine. The Commission's Penalty Order is incorporated herein by reference and made a part of this Order.

7. On May 21, 2019, Respondent submitted evidence to Transportation Staff (Staff) of bringing its motor carrier operation into compliance with Kansas motor carrier safety statutes, rules and regulations pursuant to the above-referenced Penalty Order. Respondent paid the \$3,000 civil assessment.

8. On August 3, 2018, Staff filed a Motion to Reinstate Intrastate Motor Carrier Operations on Respondent.

III. STAFF'S RECOMMENDATION

9. Based on Staff's Motion and Respondent's compliance, Staff recommends the Commission reinstate Respondent's Kansas motor carrier operations.

IV. CONCLUSIONS OF LAW

10. The Commission finds it has jurisdiction over Respondent because it is a motor carrier as defined in K.A.R. 82-4-1.

11. Based on the available facts, the Commission finds that Staff's recommendation to reinstate Scott Construction Co., Inc.'s motor carrier operations is reasonable.

THE COMMISSION THEREFORE ORDERS THAT:

A. Scott Construction Co., Inc.'s ability to carry on motor carrier operations in the state of Kansas is hereby reinstated.

B. Scott Construction Co., Inc. remains obligated to attend a Commission-sponsored safety seminar within ninety (90) days, pursuant to paragraph (B) of the Penalty Order. Respondent must also provide Litigation Counsel with written proof of attendance.

C. The Commission retains jurisdiction over the subject matter and parties for the purpose of entering such further orders, as necessary.

BY THE COMMISSION IT IS SO ORDERED.

Keen, Chair; Albrecht, Commissioner; Duffy, Commissioner
