

**THE STATE CORPORATION COMMISSION
OF THE STATE OF KANSAS**

Before Commissioners: Dwight D. Keen, Chair
 Susan K. Duffy
 Andrew J. French

In the Matter of Magellan Pipeline Company,)
L.P., Filing Application for Approval of Tariff) Docket No. 22-MGPP-506-TAR
K.C.C. No. 45.)

SUSPENSION ORDER

The above-captioned matter comes before the State Corporation Commission of the State of Kansas (Commission) for consideration and decision. Having reviewed its files and records, and being duly advised in the premises, the Commission makes the following findings:

I. Background

1. On May 19, 2022, Magellan Pipeline Company, L.P. (MPL), a common carrier under K.S.A. 66-105, filed with the Commission an Application requesting approval of tariff K.C.C. No. 45.¹ The proposed tariff increases the rates for intrastate transportation of petroleum products based upon the Federal Energy Regulatory Commission (FERC) indexing methodology. MPL indicates that the rate increases will amount to an annual increase in revenue of \$4 million, based upon 2021 annual Kansas intrastate movements. MPL requests that the Commission grant an effective date of July 1, 2022, for its request.

II. Suspension Order

2. K.S.A. 66-117(c) states in part:

The commission shall not delay the effective date of the proposed change in rate, joint rate, toll, charge or classification or schedule of charges, or in any rule or regulation or practice pertaining to the service or rates of any such public utility or common carrier, more than 240 days beyond the date the public utility or common carrier filed its application requesting the proposed change. If the commission does not suspend the proposed schedule within 30 days of the date

¹ Magellan Pipeline Company, L.P. Application (May 19, 2022).

the same is filed by the public utility or common carrier, such proposed schedule shall be deemed approved by the commission and shall take effect on the proposed effective date.

3. A full investigation of the Application, which may result in a hearing, is deemed necessary and proper. Absent suspension, the Commission and its Staff are without sufficient time to fully review, consider, and analyze whether approval of the Application will result in just and reasonable rates.

4. The Commission finds and concludes that suspension of the effectiveness of the Application and deferral of its effective date are required to allow sufficient time for full investigation of this matter. The effectiveness of the Application is hereby suspended for a period of 240 days from the date it was filed, May 19, 2022, until January 16, 2023, pursuant to K.S.A. 66-117(c).² A Commission decision may be issued before such date.

² The 240-day time period ends Saturday, January 14, 2023. Pursuant to K.S.A. 77-503(c), the deadline is extended until the end of the next day which is not a Saturday, a Sunday, or a legal holiday, which is Monday, January 16, 2023.

THEREFORE, THE COMMISSION ORDERS:

A. Pursuant to K.S.A. 66-117(c), the Application in the above-captioned docket shall be suspended, and the effective date deferred, until January 16, 2023.

B. Electronic service shall be utilized for serving pleadings/motions and orders.

C. Any party may file and serve a petition for reconsideration pursuant to the requirements and time limits established by K.S.A. 77-529(a)(1).³

BY THE COMMISSION IT IS SO ORDERED.

Keen, Chair; Duffy, Commissioner; French, Commissioner

Dated: 06/14/2022

Lynn M. Retz
