**APPLICATION OF SOUTHWESTERN BELL TELEPHONE COMPANY
FOR PRICE DEREGULATION OF BUSINESS TELECOMMUNICATIONS SERVICES
IN THE DODGE CITY, GARDEN CITY, HUMBOLDT, LARNED AND LINDSBORG,
KANSAS EXCHANGES AND REQUEST FOR PROTECTIVE ORDER**

COMES NOW Southwestern Bell Telephone Company ("SWBT") d/b/a AT&T Kansas, pursuant to K.S.A. 2008 Supp. 66-2005(q)(1)(C),¹ and hereby submits its Application for price deregulation of business telecommunications services in the Dodge City, Garden City, Humboldt, Larned and Lindsborg, Kansas, exchanges. In support of its Application, SWBT shows the Commission as follows:

1. SWBT is an incumbent local exchange carrier authorized by the Commission to do business and to engage in the provisioning of telecommunications and other switched access local exchange services to the public in the state of Kansas and, specifically, the Dodge City, Garden City, Humboldt, Larned and Lindsborg, Kansas, exchanges.

2. Pursuant to K.S.A. 2008 Supp. 66-2005(q)(1)(C), in any Kansas exchange in which there are fewer than 75,000 local exchange access lines served by all providers, the Commission shall price deregulate all business telecommunication

services upon a demonstration by SWBT that there are two or more nonaffiliated telecommunications carriers or other entities, that are nonaffiliated with SWBT, providing local telecommunications service to residential and business customers, regardless of whether the entity provides local service in conjunction with other services in that exchange area. One of such nonaffiliated carriers or entities shall be required to be a facilities-based carrier or entity and not more than one of such nonaffiliated carriers or entities shall be a provider of commercial mobile radio services (“CMRS”) in that exchange. K.S.A. 2008 Supp. 66-2005(q)(1)(C).²

Request for Price Deregulation

3. SWBT’s Dodge City, Garden City, Humboldt, Larned and Lindsborg, Kansas exchanges each have fewer than 75,000 local exchange access lines respectively.³

4. SWBT’s Dodge City, Garden City, Humboldt, Larned and Lindsborg, Kansas exchanges each, respectively, have two or more nonaffiliated telecommunications carriers or other entities that are nonaffiliated with SWBT, providing local telecommunications service to business customers in the exchanges. In each

exchange, at least one of the nonaffiliated carriers serving business customers is a facilities-based carrier or entity that is not CMRS a provider.⁴

6. Sufficient evidence exists, as presented through SWBT's Application and attached exhibits, affirmatively demonstrating and satisfying the statutory competition standards for price deregulation of business telecommunications services in the Dodge City, Garden City, Humboldt, Larned and Lindsborg, Kansas exchanges. SWBT believes the Commission properly can and should determine that all business telecommunications services in the Dodge City, Garden City, Humboldt, Larned and Lindsborg, Kansas exchanges are price deregulated.

7. Residential telecommunications services in the Dodge City, Garden City, Larned and Lindsborg, Kansas exchanges were price deregulated by order of the Commission dated June 26, 2008, in Docket No. 08-SWBT-1081-PDR.

9. Pursuant to K.S.A. 2008 Supp. 66-2005(q)(4), the Commission shall act upon a petition for price deregulation filed pursuant to K.S.A. 2008 Supp. 66-2005(q)(1)(C) within 21 days of filing, subject to an extension period of an additional 30 days upon a good cause showing by the Commission in any order extending the initial

time frame.⁵ SWBT requests approval of this Application within the statutorily provided time frame.

10. SWBT requests the Commission's approval of the Application find that price deregulation of the subject business services shall become effective upon SWBT's filing of tariff provisions noting the deregulated status of business services in the Dodge City, Garden City, Humboldt, Larned and Lindsborg, Kansas exchanges.

11. In the unlikely event the Commission concludes that not all of the statutory requirements for the deregulation of business telecommunication services has been met in one or more of the subject exchanges, SWBT requests the Commission treat the application as severable and grant SWBT's request as to those remaining exchanges for which price deregulation is sought that satisfy the statutory standards of K.S.A. 2008 Supp. 66-2005(q)(1)(C).⁶

Request for Protective Order

12. Certain of the exhibits being filed as part of SWBT's Application herein contain carrier specific data that SWBT considers to be proprietary and confidential. Said exhibits are being filed as proprietary and confidential information pursuant to the provisions of K.S.A. 66-1220a pending the issuance of a protective order by the Commission in this proceeding. Accordingly, SWBT requests the Commission issue a Protective Order in this proceeding to protect the proprietary and confidential nature of the information contained in SWBT's attachments.
