MOTION TO RESCHEDULE PREHEARING CONFERENCE

Staff asks for the rescheduling of the prehearing conference in this matter to a date and time between December 28, 2015, and January 8, 2016, for the following reasons:

1. Operator failed to attend the prehearing conference held on Thursday, December 3, 2015. At the prehearing conference, Staff requested that the prehearing conference be rescheduled. The prehearing officer has asked that the request be filed by motion.
2. Staff's Motion for an Order to Show Cause, and the Commission's Order to Show Cause, were both mailed to the address from which Operator has most recently mailed correspondence to Staff. The motion and order, however, were returned to Staff as undeliverable.
3. Under K.A.R. 82-3-120(l), operators are responsible for notifying the Commission of any change in address. However, Staff is aware of other potentially viable addresses for Operator, and believes it would be in the best interests of all parties to attempt to reach Operator via the other addresses, which are listed on the attached certificate of service.

Respectfully submitted,
