<u>Kansas.</u>)	License No.: 34811

PENALTY ORDER

The above captioned matter comes before the State Corporation Commission of the State of Kansas. Having examined the files and records, and being duly advised in the premises, the Commission finds and concludes as follows:

I. JURISDICTION

1. K.S.A. 74-623 provides that the Commission has the exclusive jurisdiction and authority to regulate oil and gas activities. K.S.A. 55-152 provides that the Commission has jurisdiction to regulate the construction, operation, and abandonment of any well and the protection of the usable water of this state from any actual or potential pollution from any well. The Commission has licensing authority pursuant to K.S.A. 55-155.
2. K.S.A. 55-162 and K.S.A. 55-164 provide the Commission with authority to issue a Penalty Order regarding a violation of Chapter 55 of the Kansas Statutes Annotated, or of any rule, regulation, or order of the Commission. A Penalty Order may include a monetary penalty of up to \$10,000, and each day of a continuing violation constitutes a separate violation.
3. K.A.R. 82-3-117 provides that within 60 days after plugging any well, the owner or operator of the well shall file a well plugging report with the Conservation Division, on a form

furnished by the Commission. Failure to file a plugging report shall be punishable by a \$100 penalty.

II. FINDINGS OF FACT

4. Operator conducts oil and gas activities in Kansas under license number 34811.
5. Operator is responsible for the care and control of the following wells, all located in Rush County, Kansas (“the subject wells”):
 - a. Stremel #1, API #15-165-21779-00-00, located in Section 23, Township 16 South, Range 17 West; and
 - b. Stremel #1-A, API #15-165-21769-00-00, located in Section 25, Township 16 South, Range 17 West.
6. Commission records indicate that the subject wells have been plugged.
7. Operator did not submit complete, accurate well plugging reports (“CP-4’s”) within 60 days of the plugging dates.
8. Commission Staff sent Notice of Violation letters to Operator, requiring Operator to file CP-4’s to bring the subject wells into compliance with K.A.R. 82-3-117 by specific deadlines. Commission Staff did not receive complete, accurate CP-4’s by the deadlines in the letters.
9. Commission Staff collected evidence and submitted it to the Legal Department with a recommendation that the Commission issue this Order. The recommendation sheets submitted by Commission Staff are attached to this Order as Exhibit A, incorporated into this Order, and shall serve as the concise and explicit statement of facts required by K.S.A. 77-526.

III. CONCLUSIONS OF LAW

10. The Commission finds it has jurisdiction over Operator and this matter under K.S.A. 55-152 and K.S.A. 74-623.

11. The above findings of fact are sufficient evidence to support the conclusion that Operator committed two violations of K.A.R. 82-3-117 because Operator has not submitted complete, accurate CP-4's for the subject wells in a timely manner.

THEREFORE, THE COMMISSION ORDERS:

- A. Operator shall pay a \$200 penalty.
- B. Operator shall submit complete, accurate CP-4's for the subject wells.
- C. If no party requests a hearing, and Operator is not in compliance with this Order within 30 days, then Operator's license shall be suspended without further notice. The notice and opportunity for a hearing on this order shall constitute the notice required by K.S.A. 77-512 regarding license suspension. The Commission may impose further sanctions, including additional monetary penalties and any other remedies available to the Commission by law, without further notice.
- D. Checks and money orders shall be payable to the Kansas Corporation Commission. For credit card payments, include the type of card (Visa, MasterCard, Discover, or American Express), account number, and expiration date. Payments shall be mailed to the Kansas Corporation Commission at 266 N. Main St., Suite 220, Wichita, Kansas 67202. The payment must include a reference to the docket number of this proceeding.
- E. Any party may request a hearing on the above issues by submitting a written request, pursuant to K.S.A. 55-164, K.S.A. 77-537, and K.S.A. 77-542, setting forth the specific grounds upon which relief is sought, to the Commission at 266 N. Main St., Suite 220, Wichita,

Kansas 67202, within 30 days from the date of service of this Order. Hearings will be scheduled only upon written request. Failure to timely request a hearing will result in a waiver of Operator's right to a hearing.

F. If a party requests a hearing, a corporation or similar entity shall not be permitted to enter an appearance except by its attorney. Attorneys for all parties shall enter their appearances in Commission proceedings by giving their names and addresses for the record.

G. The Commission retains jurisdiction over the subject matter and the parties for the purpose of entering such further order or orders as it may deem necessary.

BY THE COMMISSION IT IS SO ORDERED.
