Attn: Lynn M. Retz, Executive Director
1500 SW Arrowhead Road
Topeka, KS 66604-4027

Re: Docket No. 12-KGSG-721-TAR; Compliance Filing; Docket 13-KGSG-538-CPL.

Dear Ms. Retz,

The Commission's order in Docket No. 12-KGSG-721-TAR required Kansas Gas Service, a division of ONE Gas, Inc. ("KGS") to annually submit the inventory of cast iron pipe in its system, further identified by pipe diameter. In addition, the Commission requested the number of leaks discovered each year due to corrosion, organized by pipe diameter. This information is attached in Exhibit A.

The cast iron inventory for KGS reached zero in 2019. KGS acquired Ft Riley in 2021 and added the fort's cast iron inventory to KGS's system. The information in Exhibit A reflects the cast iron inventory within Ft. Riley.

Sincerely,
