C E/2 E/2 SW/4 of Section 19, Township 19 South, Range 14 West.
4. K.A.R. 82-3-100 states that the Commission may grant an exception to the requirement of any of its regulations.
5. Applicant respectfully requests an exception to the deadline for closing the drilling pits as provided in K.A.R. 82-3-602. Applicant hopes to be able to fill the drilling pits within three months from the date of this application and is therefore seeking three months extension. 7. Applicant has been unable to close the pits within the recommended 365 days from date of spud and also during the two three-months extensions previously granted by the commission, due to persistent rainfall from the time the well was drilled coupled with very wet spring and summer this year. The second three months extension expires on December 8, 2019.

8. The name and address of land owner on whose land the subject well and pits are located is: Roland Kufeld, 2609 Killdeer Drive, Fort Collins, Colorado 80526.

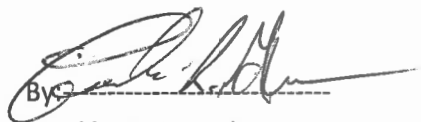

Applicant has leased all the surrounding half mile acreage surrounding the Kufeld #2-19. Therefore there is no off setting operators and un-leased mineral owners to notify.

10. Notice of this Application will be published pursuant to K.A.R. 82-3-135a. In addition, notice of the hearing to be held in this matter will be provided as prescribed by K.A.R. 82-3-135.

WHEREFORE, F.G. Holl Company, LLC prays that this Application be granted administratively without a hearing, or in the alternative be set for hearing, and upon hearing that the Commission grant Applicant's request, for an exception to the K.A.R. 82-3-602 three hundred sixty five days from well spud date and two three-months extensions after that if needed.

Respectfully submitted,
