Enclosures

2. On August 1, 2022, in Docket No. 22-GIMT-142-GIT, TDS Metrocom filed its request to use a traffic study methodology for KUSF reporting purposes and establish the quarterly intrastate percentage to be applied for KUSF reporting purposes, effective July 1, 2022. On August 9, 2022, the Commission approved TDS Metrocom's request and intrastate traffic factor.

3. In accordance with the Commission's above-referenced orders in Docket No. 12-

GIMT-168-GIT and Docket No. 22-GIMT-142-GIT, TDS Metrocom hereby submits its updated intrastate percentage for KUSF reporting purposes, effective January 1, 2025, equal to the inverse of its updated quarterly interstate traffic study factor developed and utilized for its FUSF reporting. See Exhibit A attached hereto. The traffic study was performed via actual traffic data of TDS Metrocom.

WHEREFORE, TDS Metrocom respectfully requests the Commission approve its

company-specific quarterly traffic study and its use of the inverse of the federal percentages derived from that study for KUSF reporting purposes.

Respectfully submitted,

Duane D. Dickson
