15-CONS-753-CUIC

Steve,

We would like to withdraw our object to the Application for injection well into the Stamper H-1, API 15-163-20829-001, located in Section 32-8S-17W, Rooks Co., KS. Alan received a copy of the Continental Operating revised application and has approved their changes.

Thanks so much,
Phyllis
