**BEFORE THE STATE CORPORATION COMMISSION
OF THE STATE OF KANSAS**

In the Matter of the Application of Merit Energy Company, LLC, for an
Order Authorizing the Unitization and Unit Operation of the Napeste Unit to be
located in Finney County, Kansas
Docket No. 25-CONS-3390-CUNI
CONSERVATION DIVISION
License No. 32446

NOTICE OF APPLICATION

TO: ALL OIL AND GAS OPERATORS, PRODUCERS AND LESSEES, OIL AND GAS
LESSORS AND ROYALTY OWNERS, MINERAL INTEREST OWNERS, LANDOWNERS,
OVERRIDING ROYALTY INTEREST OWNERS, OTHER OWNERS OF OIL AND GAS
INTERESTS, MORTGAGEES OF OIL AND GAS INTERESTS, AND ALL OTHER PER-
SONS CONCERNED:

You and each of you are hereby notified that Merit Energy Company, LLC ("Mer-
it") has filed an Application with the Kansas Corporation Commission ("Commis-
sion") pursuant to K.S.A. 55-1301, et seq., seeking an order authorizing the unit-
ization and unit operation of the Napeste Unit ("Unit"). The area of the proposed
Unit, which will be operated by Merit, includes the W/2 W/2 W/2 E/2 NW/4 & W/2
NW/4 of Section 28, the N/2 of Section 29, and the E/2 E/2 W/2 NE/4 & E/2 NE/4
of Section 30, all in Township 24 South, Range 32 West, Finney County, Kansas.

Merit proposes to unitize the oil and gas rights to a pool within the Unitized For-
mations underlying the area of the Unit. The Unitized Formations are described
as the top of the Morrow found at a measured depth of 4,762' (-1,896' subsea)
to the top of the Spergen formation (i.e. base of the St. Louis formation) found
at a measured depth of 4,920' (-2,054' subsea) as shown in the well logs for the
Napeste 2-29 well (API No.15-055-22609), located approximately 1,542' FNL
and 2,223' FWL in Section 29-T24S-R32W. Merit intends to conduct a secondary
recovery waterflood operation within said pool in order to increase the recovery
of oil and gas reserves, and will allocate such production, and the costs thereof,
from the Unit across four tracts within the Unit on a fair, reasonable and equi-
table basis.

The Application is pending with the Commission. Any persons who object or
protest to the granting of the Application shall be required to file their objec-
tions or protests in writing with the Commission within 15 days after the date
of this publication. If a written protest is not timely filed, the Application may
be determined administratively by the Commission and may thereby be grant-
ed without hearing or further notice to any interested party. All objections and
protests shall clearly state the reasons why granting the Application will violate
correlative rights, cause waste, or pollute water resources. Objections or protests
shall be mailed to the Kansas Corporation Commission, Conservation Division,
266 N. Main St., Ste. 220, Wichita, KS 67202, with a copy to Merit's attorneys listed
below. All parties in any way interested or concerned shall take notice of the
foregoing and govern themselves accordingly.
