RE: Notice of Filing Application received by The Corporation Commission of the State of Kansas from Eastern Kansas Operating LLC – Application for Vacuum Operations on Natural Gas Wells on Fischer Lease located in Miami County, Kansas.
Fischer 6-21, NW, SE, NW, Section 21, Township 16S, Range 25E

Docket No. 18-CONS-3141-CVAC
License No. 34971

Dear Mr. Myers,

I am writing you in regards to a letter received by Eastern Kansas Operating, L.L.C. with notice of filing an application to request vacuum operations on one (1) well, Fischer 6-21, API# 12128696, 3651' FSL, 1980' FEL in Miami County Kansas, on it's Fischer Lease located in Section 21, Township 16 South, Range 25 East, Miami County, Ks. Listed below are concerns about the application sent to me and some of the properties within a half mile radius of this one (1) well.

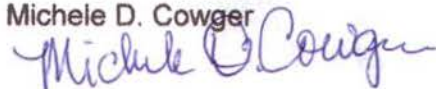

- Our individual correlative rights preserved pertaining to our property assets above & below ground, in protection of our present & future property value &/ resale value.
- Concern of proper disposal of waste water.
- Certificate of Service is incorrect, listing the wrong Exhibit and possibly excluding other property owners who may be affected.
- The provided map in Exhibit 'B' does not follow the State of Kansas Guidelines.
- Current and future continual noise levels (Screeching every 3 seconds) generated from existing/future wells and equipment which has disturbed the original quiet & peaceful country setting we purchased in 1995.

Thank you for your prompt attention in reviewing this matter.

cc: Eastern Kansas Operating, LLC

Sincerely,

Michele D. Cowger
