

- THE STATE CORPORATION COMMISSION  
OF THE STATE OF KANSAS**

4. Staff noted that SWBT is an Incumbent Local Exchange Carrier operating throughout Kansas.

5. Staff reported that both SWBT and One Point are properly registered with the Kansas Secretary of State's office and are currently "active and in good standing" with that office. Both companies are current with its KUSF assessments, KCC filing fees, and annual reporting requirements.

6. SWBT, in its application, declared that this agreement complies fully with the Telecommunication Act of 1996, section 252(e) because it is consistent with the public interest, convenience, and necessity, and does not discriminate against any telecommunications carrier not a party to the agreement.

7. Staff reviewed this proposed Agreement and did not have any concerns with approving this application. There are no outstanding issues requiring mediation or arbitration between the parties.

8. The Commission finds and concludes that the Agreement between SWBT and One Point should be approved. The implementation of the Agreement is consistent with the public interest, convenience, and necessity, and on its face does not discriminate against any telecommunications provider not a party to the agreement.

**THE COMMISSION THEREFORE ORDERS THAT:**

A. The application of Southwestern Bell Telephone Company d/b/a AT&T Kansas for approval of an Interconnection Agreement between itself and One Point Technologies, Inc. is approved.

B. A party may file a petition for reconsideration of this Order within fifteen (15) days from the date of service of this Order. If service is by mail, service is complete

upon mailing and three (3) days shall be added to the above fifteen (15) day period.
