RE: Request for Hearing  
Docket #20-CONS-3097-CPEN  
Steinshouer Hill Farms #1  
34-8S-29W, Sheridan County, Kansas

We filed the ACO 1 for the Steinshouer Hill Farms #1 July 30, 2019 thru Kolar. We received a request for additional logs on July 31, 2019. We contacted the logging company who assured us they would send the logs. On September 12<sup>th</sup> we received a letter from the KCC, stating that they had not received the logs on the Steinshouer Hill Farms. We called and talked to Michelle with Eli Wireline who sent the logs on September 12<sup>th</sup>. Stephanie Bray, from our office, then resent our ACO 1 to Kolar on September 12<sup>th</sup>. We spoke with Karen Ritter this morning, she was going to check with the IT department to see if they could locate our ACO 1. We are sending a copy of the July 31, 2019 email, stating they were holding our ACO 1 until they received the logs.

We would request your compassion on the matter.

Sincerely,

Jerry Green
