MOTION TO SUSPEND INTRASTATE MOTOR CARRIER OPERATIONS

The Staff of the State Corporation Commission of the State of Kansas (Staff), by and through its counsel, files its motion requesting the Commission suspend Gary Cathey, d/b/a CK enterprises of Wichita, Kansas (Respondent) from all intrastate commercial motor carrier operations. In support of its Motion, Staff states as follows:

1. Respondent is a motor carrier as defined in K.S.A. 2016 Supp. 66-1,108, that operates commercial motor vehicle(s) in intrastate commerce.
2. Respondent is registered as a motor carrier with the U.S. Department of Transportation (USDOT) and operates under USDOT number 936031.
3. On May 25, 2017, the Commission issued Respondent a Penalty Order that assessed a civil penalty of \$4,200 for violations of the Kansas Motor Carrier Safety Statutes, Rules and Regulations discovered during a compliance review conducted by Special Investigator Gary Goeller on April 10, 2017.
4. The Respondent was served with the Penalty Order via certified mail, return receipt requested, on May 30, 2017. A Proof of Service was filed in this docket on June 14, 2017. The Respondent had 30 days from the date served to pay the civil penalty of \$4,200.

5. On June 29, 2017, the Commission issued an Order Approving Stipulated Settlement Agreement, wherein Respondent agreed to pay the fine totaling \$4,200 in two installments, with the first payment of \$2,100 due July 1, 2017, and the remaining \$2,100 due on August 1, 2017. The Respondent paid the first installment; however, the second installment is past due and outstanding.

6. Respondent was sent a collection letter on September 11, 2017, reminding it of the amount due of \$2,100 and giving it 10 days from the date of the collection letter to pay.

7. As of September 26, 2017, Commission records indicate that Respondent has not complied with the collection letter or the requirements of the Order Approving Stipulated Settlement Agreement.

8. Staff asks the Commission find Respondent failed to comply with the Commission's Order dated June 19, 2017.

9. Staff asks the Commission find that Respondent's failure to comply with the requirements of the Order poses a potential immediate threat to the safety and welfare of the public of the state of Kansas.

10. Based on the presented facts, Staff requests the Commission issue an order suspending Respondent's intrastate motor carrier operations until such time as Respondent pays the penalty of \$2,100, at which time Staff will recommend the Commission enter an order of reinstatement of intrastate motor carrier operations.

11. Furthermore, Staff requests the Commission order Respondent to attend a Commission-sponsored safety seminar within ninety (90) days from the date of the Order of Suspension, and for it to provide Litigation Counsel with written proof of attendance.

WHEREFORE, for the reasons stated above, Staff respectfully requests that the Commission issue an order suspending Respondent's intrastate motor carrier operations, and order Respondent to attend a Commission-sponsored safety seminar within ninety (90) days from the date of the Order of Suspension, and for it to provide Litigation Counsel with written proof of attendance.

Respectfully submitted,
