

**BEFORE THE STATE CORPORATION COMMISSION  
OF THE STATE OF KANSAS**

In The Matter of The Application of Kansas )  
Gas Service, a Division of ONE Gas, Inc. For )  
Approval to Cease Providing Natural Gas ) Docket No. 24-KGSG-056-CCS  
Service in a Portion of McPherson County, )  
Kansas. )

**ERRATUM TO APPLICATION**

Kansas Gas Service, a Division of ONE Gas, Inc. (“Kansas Gas Service” or “Company”), respectfully files this Erratum to its Application for Approval to Cease Service filed in the instant matter. In support thereof, Kansas Gas Service states the following to the State Corporation Commission of the State of Kansas (“Commission”):

Kansas Gas Service intended for its Application to indicate communications and discussions with customers remained ongoing. Kansas Gas Service indicated it would late-file exhibits regarding the status of reaching financial settlement with impacted customers. Unfortunately, the conclusion of Kansas Gas Service’s Application indicates impacted customers have agreed to cash payments. Kansas Gas Service is still discussing financial compensation with the impacted customers. To accurately reflect the current status of the conversions, the conclusion should be restated as:

**V. CONCLUSION**

10. Kansas Gas Service currently provides service to three customers who are served off PVC, which must be replaced. It would be unjust and unreasonable for other Kansas Gas Service ratepayers to subsidize the replacement cost. Kansas Gas Service will provide cash payments to convert the impacted customers’ natural gas service to an alternative energy source. Accordingly, Kansas Gas Service requests permission to terminate and abandon service to specific customers and abandon unlocatable PVC used to serve them.

WHEREFORE, Kansas Gas Service respectfully apologizes for its drafting error, requests the Commission accept this Erratum, and any other relief the Commission deems just and reasonable.

Respectfully submitted,

/s/ Robert Elliott Vincent
