In the Matter of the Application of Westar Energy, Inc. and Kansas Gas and Electric Company Seeking Commission Approval for the Proposed Changes to its Net Metering Rider.

) Docket No. 18-WSEE-493-TAR

ERRATA REGARDING JOINT MOTION FOR EXTENSION OF SUSPENSION PERIOD

COMES NOW, the Staff of the State Corporation Commission of the State of Kansas

)

)

)

("Staff" and "Commission," respectively) and respectfully files this Errata regarding a previously

filed Joint Motion. In support of the Errata, Staff states the following:

1. On December 13, 2018, Westar Energy, Inc. and Kansas Gas & Electric Company

(Westar) and Staff filed a Joint Motion to extend this docket's suspension period.¹

2. Paragraph 4 of the Joint Motion contains an incorrect reference to the Kansas statute

detailing suspension periods. The paragraph should have read:

4. K.S.A. 66-117(c) generally provides that a final order on tariff filings by a public utility involving rates or service must be decided within 240 days from the date of filing. Failure to adhere to this schedule results in the Application being deemed approved. The statute does, however, provide that the Commission and the public utility applicant may agree to a waiver or extension of this 240-day deadline.

WHEREFORE, Staff respectfully requests the Commission accept this Errata.

Respectfully submitted,

/s/ Robert Elliott Vincent
