BEFORE THE STATE CORPORATION COMMISSION OF THE STATE OF KANSAS

In the Matter of the Complaint Against)	
Kansas City Power & Light Company)	Docket No. 16-KCPE-195-COM
by Jamie Littich.)	

PETITION FOR RECONSIDERATION OF KANSAS CITY POWER & LIGHT COMPANY

COMES NOW, Kansas City Power & Light Company ("KCP&L") and pursuant to K.S.A. 66-118b, K.S.A. 2016 Supp. 77-529, and K.A.R. 82-1-235, requests reconsideration of the Commission's *Order Granting Complainant's Motion to File Out of Time and KCP&L's Motion for Extension of Time to Respond to Complainant's Motion to Respond Out of Time and Denying KCP&L's Motion to Strike* issued in this docket on July 25, 2017 ("Order"). In support hereof, KCP&L states as follows:

- 1. On July 6, 2017, Complainant filed a *Motion to Respond Out of Time*, seeking to supplement her May 1, 2017 response. On July 14, 2017, KCP&L filed a *Motion to Strike or in the Alternative for Extension of Time* ("KCP&L's Motion") wherein KCP&L asked the Commission to strike the July 6, 2017 supplemental response of Complainant, or in the alternative, grant KCP&L "an extension of two weeks **from the date of the Commission's Order on the Motion** to file its response to Complainant's supplemental response."¹
- 2. The Order denied KCP&L's motion to strike, but granted KCP&L's alternative motion for an extension of time to file its response.² However, the Order set KCP&L's response date as July 31, 2017, which is two weeks from the initial due date for the response of July 17,

² Order, ¶ 7 and Ordering Paragraph C.

2017, rather than August 8, 2017, which is two weeks from the date of the Commission's Order on the Motion, as requested in the Motion being granted.

- 3. KCP&L hereby petitions the Commission for reconsideration of the part of its Order that set KCP&L's response date as July 31, 2017, and requests the Commission revise the Order to set the due date as August 8, 2017. This revision would make the Commission's Order consistent with the Motion of KCP&L being granted.
- 4. The reason KCP&L requested two weeks from the Order date to file its response was to avoid devoting time to preparing a response until it was known that one was necessary. Since that became known only as of July 25, 2017, the July 31, 2017 deadline gives KCP&L only four working days to prepare its response to Complainant's seventy-two (72) page supplemental filing that contains matters of a technical nature, including allegations regarding the National Electric Safety Code. This time is insufficient.
- 5. In addition, the shortened deadline is problematic for KCP&L because one of the primary employees working on this docket is on vacation at this time and will not return to the office until July 31, 2017.
- 6. KCP&L notified the parties of its intent to file this petition. Staff indicates it has no objection to the request. KCP&L had not received a response from Complainant.

WHEREFORE, KCP&L respectfully requests the Commission grant reconsideration of its Order and revise the due date of KCP&L's response from July 31, 2017 to August 8, 2017, for the reasons set forth above.

Respectfully submitted,
