DATE SUBMITTED TO COMMISSIONERS: 12/10/10

SUBJECT: In the Matter of the Application of Southwestern Bell Telephone Company for Approval of Interconnection Agreement under the Telecommunications Act of 1996 with Broadview Networks, Inc.
Docket No. 11-SWBT-413-IAT

BACKGROUND:

On November 29, 2010, the Southwestern Bell Telephone Company d/b/a AT&T Kansas (AT&T Kansas) filed an Application for Approval of an Interconnection Agreement between itself and Broadview Networks, Inc. (Broadview).

AT&T Kansas is a certificated Incumbent Local Exchange Carrier (ILEC) in the state of Kansas serving the large metropolitan areas and numerous rural locations throughout the state. Broadview is certificated to provide Competitive Local Exchange Carrier (CLEC) and Inter-exchange Carrier (IXC) services in the state of Kansas.

Both parties are properly registered with the Kansas Secretary of State's office and are 'active and in good standing' with the Secretary's office (a/o 12-7-2010). Both parties are current with their Kansas Universal Service Fund (KUSF) assessments, Commission fees and their Annual Report filings.

Per Section 252(e)(4) of the Federal Telecom Act, Commission action in this matter is required not later than **Friday, February 25, 2011.**

ANALYSIS:

Docket No. 11-SWBT-413-IAT

This agreement addresses General Terms and Conditions, Network Interconnection, Structure Access, Local Number Portability, 911/E-911, Customer Information Services, Operations Support Systems, Bona Fide Requests, Performance Measurements, Billing & Collection, Collocation, Unbundled Network Elements, Pricing Schedules and related matters necessary to interconnect the parties' respective networks.

The parties present this Agreement as an integrated package, the result of negotiations and compromise. The parties state that there are no outstanding issues in need of mediation or arbitration.

Section 252(e) of the Federal Act states that state commissions may reject a negotiated agreement only if it finds that the agreement (or portions thereof) discriminates against a telecommunications carrier not a party to the agreement; or the implementation of such an agreement (or portions thereof) is not consistent with the public interest, convenience and necessity. Staff has reviewed this proposed Agreement and finds no such cause for concern with this filing.

RECOMMENDATION:

Staff recommends Commission approval.
