Kansas Corporation Commission  
Attn: Lynn M. Retz, Secretary to Commission  
1500 SW Arrowhead Road  
Topeka, KS 66604-4027

Re: Docket No. 12-KGSG-721-TAR; Compliance Filing; Docket 13-KGSG-538-CPL.

Dear Ms. Retz,

The Commission's order in Docket No. 12-KGSG-721-TAR required KGS to submit annually a report detailing the remaining cast iron pipe in its system, further identified by pipe diameter. In addition, the Commission requested the number of leaks discovered each year due to corrosion, organized by pipe diameter.

The required information is attached. The first table highlights the leaks caused by corrosion, further identified by pipe size. The second table identifies the inventory of KGS cast iron remaining on its system, organized by pipe diameter.

Sincerely,

Janet Buchanan
