On November 22, 2016, the Commission issued an Order Approving Compliance Agreement in this docket. The Agreement provides that the Agreement may be amended to add additional wells with the written consent of both Operator and Staff.¹

The District 3 Staff recommends amending this Agreement to add the following additional well: the Roger King #3, API #15-125-21340-00-00 (subject well). The Operator has expressed a desire to plug the subject well and is not opposed to the addition of the subject well to the Agreement. Staff has obtained the written consent of the Operator, as evidenced by the attached email correspondence.

Staff hereby consents to adding the Roger King #3, API #15-125-21340-00-00 to the Agreement.
