APPLICATION

COMES NOW John O. Farmer, Inc. (Applicant) and in support of its Application in the above captioned matter, states as follows:

Applicant is a Kansas Corporation doing business in the State of Kansas.
Applicant's address is 370 West Wichita, Russell, Kansas 67665.

2. The Kansas Corporation Commission has issued Applicant an Operator's License number 5135, which expires on June 30, 2020.

3. Applicant is the owner and operator of the Morgenstern B #1 well, API #15-009-26174-00-00 (the subject well), which is located 2,310 feet from the north line and 2,310 feet from the east line of the NE/4 of Section 13, Township 16 South, Range 14 West of the 6th P.M., Barton County, Kansas. The subject pit is located on an Applicant's Morgenstern B #1 oil and gas lease covering the NE/4 of Section 13, Township 16 South, Range 14 West, Barton County, Kansas.

4. K.A.R. 82-3-100 (b) states that the Commission may grant an exception to the requirement of any of its regulations.

5. Applicant respectfully requests an exception to the deadline for closing a drilling pit as provided in K.A.R. 82-3-602. Applicant has received two 3-month extensions and one

90-day extension but, due to certain circumstances beyond Applicant's control, has been unable to complete closure of the drilling pit.

6. An exception and corresponding extension of time to close the pit will cause no environmental harm. The subject pit has been emptied several times and Applicant has closed up those portions of the pit deemed dry enough to close. Any fluid which may remain in the pit is fresh water.

7. The Applicant has been unable to completely close the pit within the time prescribed by regulation due to intermittent but persistent rainfall at the location.

8. The name and address of the landowner on whose land the well and pit are located is the Jerry L. Morgenstern Trust, Jerry L. Morgenstern and Lou Ann Morgenstern, Trustees, 1509 N. Alexander Street, Hoisington, KS 67544. The names and addresses of the unleased mineral owners of record and operators of leases of record within one-half (1/2) mile of the subject well and entitled to receive notice of this Application are shown on the attached Exhibit "A."

Attached as Exhibit "B" is a plat map showing the location of the Morgenstern
B #1 well.

WHEREFORE, John O. Farmer, Inc. prays that this Application be docketed by the Commission and that if no written protest is received within thirty (30) days after Notice of the Application has been published and duly provided to all interested parties, the Commission issue an order administratively granting John O. Farmer, Inc. an exception to the time limitation set forth in K.A.R. 82-3-602 and allow an additional extension of ninety (90) days. In the event a timely and proper protest is filed with the Commission, John O. Farmer, Inc. requests that the Commission set this Application for hearing and, upon such hearing, grant the request for exception and afford such other and further relief as the Commission deems necessary and proper.

Respectfully Submitted,

Thompson, Arthur, Davidson & Katz 525 North Main Street P.O. Box 111 Russell, Kansas 67665 Attorneys for John O. Farmer, Inc.
