Dear Commissioners:

We would like to request a hearing before the State Corporation Commission on the application of C12 Kansas Oil LLC for the unitization and unit operation of the Post Rock Unit in Russell County, Kansas. We own a .0015625 share of the Boxberger A (West half of Southeast quarter, Section 26, Township 14 South, Range 14 West) and a .0015625 share of the Boxberger J2 lease (Northeast Quarter of Section 26, Township 14 South, Range 14 West) as well as a .0015625 share of the Boxberger J1 lease (East half of Southeast quarter, section 26, Township 14 South, Range 14 West).

We have several specific concerns, both environmental and financial, that C12 hasn't answered to our satisfaction through multiple phone conversations that we have initiated during the past year. Therefore, we would like to have our concerns addressed before the State Corporation Commission in accordance with our rights as royalty owners in the proposed Post Rock Unit.

Sincerely,

*Peter Loriaux*
