PENALTY ORDER

The above captioned matter comes before the State Corporation Commission of the State of Kansas (Commission). Having examined the files and records, and being duly advised in the premises, the Commission finds and concludes as follows:

I. JURISDICTION

1. The Commission has the exclusive jurisdiction and authority to regulate oil and gas activities in Kansas.¹ The Commission has jurisdiction to regulate the “construction, operation, and abandonment of any well and the protection of the usable water of this state from any actual or potential pollution from any well.”² Every operator conducting oil and gas activity in Kansas must be licensed by the Commission.³

2. The Commission has the authority to issue a Penalty Order for violation of any provision of K.S.A. 55-101 *et seq.*, rule, regulation, or order of the Commission.⁴ The Commission shall take appropriate action which may include, but not be limited to, imposing a monetary penalty “not to exceed \$10,000, which shall constitute an actual and substantial

² K.S.A. 55-152.

economic deterrent to the violation for which the penalty is assessed.”⁵ “In the case of a continuing violation, every day such violation continues shall be deemed a separate violation.”⁶

3. Within 90 days after operations cease on any well drilled for the purpose of exploration, discovery, service, or production of oil, gas, or other minerals, the operator of that well shall: (1) plug the well, (2) return the well to service, or (3) file an application with the Conservation Division requesting temporary abandonment (“TA”) authority, on a form prescribed by the Conservation Division.⁷ No well shall be temporarily abandoned unless first approved by the Conservation Division.⁸ A well shall not be eligible for TA status if the well has been shut in for 10 years or more without an application for an exception pursuant to K.A.R. 82-3-100 and approval by the Commission.⁹ The failure to file a notice of temporary abandonment shall be punishable by a \$100 penalty,¹⁰ and the failure to obtain approval of temporary abandonment status shall subject the Operator to additional administrative action.¹¹

4. K.A.R. 82-3-111(e) provides an exemption for certain wells that are (1) fully equipped for production of oil or gas or for injection; (2) capable of immediately resuming production of oil or gas or of injection; (3) subject to a valid continuing oil and gas lease; when (4) the cessation period for the well is less than 365 days; and (5) the well is otherwise in full compliance with all of the Commission’s regulations.

II. FINDINGS OF FACT

5. The Operator conducts oil and gas activities in Kansas under active license number 35186.

⁵ K.S.A. 55-164.

⁷ *See* K.A.R. 82-3-111(a).

⁸ K.A.R. 82-3-111(b).

⁹ *Id.*

¹⁰ *Id.*

¹¹ K.S.A. 55-164; K.A.R. 82-3-111(b).

6. The Operator is responsible for the care and control of the Harrel D #9 (“the subject well”), API #15-151-20242-00-00, located in Section 27, Township 29 South, Range 13 West, Pratt County, Kansas.

7. On November 08, 2018, Commission records indicated that the subject well had been inactive and unplugged for longer than the 90 days allowed by K.A.R. 82-3-111 and that the well was not exempt pursuant to K.A.R. 82-3-111(e). The well had also not been approved for temporary abandonment status. Thus, District Staff sent a letter to the Operator, requiring the Operator to bring the subject well into compliance with K.A.R. 82-3-111 by December 6, 2018.¹²

8. Because the deadline in the letter passed and the violation had not been resolved, on December 21, 2018, District Staff inspected the subject well, verifying that the well continued to be inactive and unplugged.¹³

III. CONCLUSIONS OF LAW

9. The Commission finds and concludes that it has jurisdiction over the Operator and this matter under K.S.A. 55-152 and K.S.A. 74-623.

10. The Commission finds and concludes the Operator committed one violation of K.A.R. 82-3-111 because the subject well has been inactive in excess of the time allowed by regulation without being plugged, returned to service, or approved for TA status.¹⁴

THEREFORE, THE COMMISSION ORDERS:

A. The Operator shall pay a \$100 penalty.

B. The Operator shall plug the subject well, or return the well to service, or obtain TA status for the well if eligible. Obtaining TA status shall include application for, and Commission approval of, an exception to the 10-year limit on TA status if applicable.

¹² Exhibit A.

¹³ Exhibit B.

¹⁴ K.S.A. 55-164; K.A.R. 82-3-111(b).

C. If no party requests a hearing, and the Operator is not in compliance with this Order within 30 days from the date of service of this Order, then the Operator's license shall be suspended without further notice. The notice and opportunity for a hearing on this Order shall constitute the notice required by K.S.A. 77-512 regarding license suspension. The Commission may impose further sanctions, including additional monetary penalties and any other remedies available to the Commission by law, without further notice.

D. Checks and money orders shall be payable to the Kansas Corporation Commission. Payments shall be mailed to the Kansas Corporation Commission at 266 N. Main St., Suite 220, Wichita, Kansas 67202. The payment must include a reference to the docket number of this proceeding. Credit card payments may be made by calling the Conservation Division at 316-337-6200.

E. Any party may request a hearing on the above issues by submitting a written request, pursuant to K.S.A. 55-164, K.S.A. 77-537, and K.S.A. 77-542, setting forth the specific grounds upon which relief is sought, to the Commission at 266 N. Main St., Suite 220, Wichita, Kansas 67202, within 30 days from the date of service of this Order. Hearings will be scheduled only upon written request. Failure to timely request a hearing will result in a waiver of Operator's right to a hearing.

F. A corporation shall appear before the Commission by a Kansas licensed attorney.¹⁵

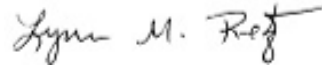

G. The Commission retains jurisdiction over the subject matter and the parties for the purpose of entering such further orders as it may deem necessary.

¹⁵ K.S.A. 77-515(c); K.A.R. 82-1-228(d)(2).

BY THE COMMISSION IT IS SO ORDERED.
