## SUPPLEMENT TO APPLICATION

Following is a Supplement to Paragraph 8 as well as Exhibit 'A' of our Application for Extension of the 10-year limitation on the Byerly #1-17 well located in Clark County, Kansas.

Paragraph 8 Supplement:

"This property is in the NW/4 Section 17-T30S-R24W, Clark County. The property has one well, which has been TA'd for quite a while. The well has no production. The remaining reserves are zero for primary recovery but will have over 13,000 BO of secondary recovery reserves. The secondary reserves can only be economically produced if the wellbore exists. The waterflood unitization agreement, to produce the secondary reserves, is being finalized for ratification signatures."
