3. The subject well has maintained such status from February 6, 2015, to the present date.

5. On or about February 6th, 2025, the Kansas Corporation Commission notified Applicant temporary abandonment status for the subject well would be denied from and after May 20th, 2025 because subject well has been temporarily abandoned for more than ten (10) years.

6. K.A.R. 82-3-111 imposes a 10-year limitation on the amount of time during which wells may be temporarily abandoned, but an exception to the 10-year limitation may be obtained pursuant to said regulation through an application filed with the Commission pursuant to K.A.R. 82-3-100. Based on the foregoing, Applicant requests the Commission grant an exception to the 10-year limitation, specifically to allow the subject well to remain eligible for temporary abandonment status for three (3) years following the expiration of the 10-year limitation.
