In the Matter of the Application of Kansas)
City Power & Light Company for Approval) Docket No. 14-KCPE-042-TAR
To Extend its Demand-Side Management)
Programs)

**MOVANT CLIMATE AND ENERGY PROJECT'S (CEP) RESPONSE TO KANSAS CITY
POWER & LIGHT COMPANY'S OBJECTION TO CEP'S MOTION TO INTERVENE**

COMES NOW the Climate Energy Project and states as follows:

1. On August 6, 2013, CEP filed a motion to intervene in the above-captioned docket. On August 16, 2013 Kansas City Power & Light Company (KCP&L) filed its objection to the motion to intervene. KCP&L interpreted the motion to intervene as an attempt by CEP to expand the scope of this docket.
2. It is not CEP's intention to expand the scope of this docket. CEP intends to limit its participation in the docket to joining the extant joint motion to stay of KCP&L, Staff and CURB, and participating in discussions regarding the EM&V on the programs at issue and their extension, as requested in the application.
3. Based on CEP's intention to limit its participation as indicated above the objection by KCP&L is moot.
4. KCP&L has been consulted regarding the scope of CEP's proposed participation in this docket. KCP&L does not object to CEP's intervention in this docket as long as its participation is limited to the scope of the docket as presented by KCP&L's application.

Respectfully submitted,
The Climate Energy Project, Petitioner
